---

Please be advised that the date for the 2021 Virtual Durham Agricultural Advisory Committee (DAAC) Farm Tour has been set for Tuesday, September 28, 2021. It is anticipated that the tour will be held from 1PM-2PM.

DAAC warmly invites all Area Municipal and Regional Council members to please save the date. An invitation including more details will follow shortly.

DAAC has hosted an annual farm tour since 2003. The purpose of the tour is to showcase the vibrant and diverse agricultural industry across Durham and reach out to local and Regional politicians, as well as Provincial and Federal government officials, area municipal senior staff, key industry stakeholders and the educational community to provide an understanding of agricultural operations, opportunities and challenges of the agricultural community.

Sincerely,

*Brian Bridgeman*
