Dear Reader,
Please forward this message and to the Office of CAO and Mayor. Thank You

Good Afternoon Ms. Svelnis,

You may recall Durham Region Cycling Coalition recently corresponded with your office regarding a pending Federal Government Active Transportation Funding Announcement.

Although you are likely already aware, the Federal Government has now released the funding details which includes the application process which we wanted to share with you today. (link attached)

We understand the challenges of funding Active Transportation and hope the Township of Brock is in a position to capitalize on this new revenue source with a mutual goal of improving our local cycling network.

As a community partner supporting safe cycling, if we can be of assistance in any way please reach out at your convenience.

On behalf of every-one at DRCC, thank you for taking time to review this opportunity.

Respectfully,
Ron Lalonde
Corporate Secretary
