Honourable Steve Clark
Minister of Municipal Affairs and Housing
17th Floor, 777 Bay Street
Toronto ON M5G 2E5

Dear Mr. Clark:

This is to advise that City Council, at a meeting held on March 22, 2021, passed the following resolution regarding Planning Act Timelines:

“WHEREAS the City of Kitchener, like many Ontario municipalities, is experiencing significant growth; and,

WHEREAS the City of Kitchener has conducted extensive work through its Development Services Review to remove red tape and improve public engagement; and,

WHEREAS the Province of Ontario's Planning Act provides a legislative framework for processing development applications including established timeframes which permit applicants to appeal to the Local Planning Appeal Tribunal if a Council fails to make a decision within a prescribed timeline; and,

WHEREAS the passing of Bill 108 in 2019 reduced the timelines for processing development applications before they can be appealed to the Local Planning Appeals Tribunal (LPAT) for a non-decision from those outlined in Bill 139, the Building Better Communities and Conserving Watersheds Act, 2017 as follows:

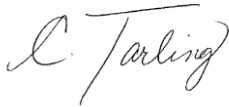

- from seven months (210 days) to four months (120 days) for Official Plan amendments;
- from five months (150 days) to three months (90 days) for Zoning By-law amendments; and
- from six months (180 days) to four months (120 days) for Plans of Subdivision; and

WHEREAS the shortened timeframes create unreasonable pressures on municipalities, even outside the context of navigating city business in a global pandemic, and result in reduced opportunities for meaningful public engagement and limited time for the public to provide written submissions on a development application;

THEREFORE BE IT RESOLVED that Kitchener City Council urge the Province of Ontario to review and reconsider the current timelines established for review of Planning Act applications before an appeal is permitted to the Local Planning Appeals Tribunal and to return to the timelines that were in effect under Bill 139, the Building Better Communities and Conserving Watersheds Act, 2017;

THEREFORE BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Ontario Minister of Municipal Affairs and Housing, to the local MP's and MPP's, to the Federation of Canadian Municipalities, to the Association of Municipalities Ontario, and all other municipalities in Ontario."

Yours truly,

C. Tarling
Director of Legislated Services
& City Clerk

COVID-19 Pandemic and Women: Equalizer or Magnifier of Disparities?

Date: Wednesday, April 28, 2021 at 6:30 pm.

Join Professor Dalon Taylor for a conversation about the COVID-19 virus that many have touted as an “equalizer” because it is not partial to age, income level or any such factors. The conversation will explore the impact of COVID-19 on women and in particular racialized women and the magnified disparities that are far from equal. Hear about what these disparities mean for gender parity and how local governments and growing communities like Whitby-Durham can align resources to respond more effectively to many of these underlying issues.

Pre-register for this event [here](#). After registering, you will receive a confirmation email containing information about joining the webinar.

About the Speaker: Dalon Taylor is a professor at Trent University in the Social Work Department. Dalon has over 15 years’ experience teaching as well as working in government and with communities. She is the former president of the Black Health Alliance, which is a community-led registered charitable organization working to improve the health and well-being of Black communities in Canada. She is passionate about challenging race and gender biases and inequities and is a strong advocate of self-empowerment. She firmly believes that education is the pathway to creating change and that women are the leaders of the future.

Hi all,

I hope you're all keeping well and enjoying this beautiful spring weather!

I'm pleased to introduce the Region's new Director of Diversity, Equity and Inclusion, [@Allison Hector-Alexander](#). I understand that some may already know Allison and if not directly, then certainly know of her and her work – she's a leader in our community and we're very happy to have her at the Region.

Allison is a great and natural addition to the municipal DEI group. Please include Allison (copied) on any communications amongst this group.

I'll follow up separately on completion of the DEI initiative spreadsheet, as I know there are some that still need to make updates – see original email attached.

Thank you!
