Honourable and Dear Sirs:

Re: Capital Gains Tax on Primary Residence

The Municipal Council of the Town of Fort Erie at its meeting of May 31, 2021 passed the following resolution:

Whereas primary residences are currently exempt from a capital gains tax, and

Whereas currently secondary and additional non-primary properties are subject to capital gains, and

Whereas the Federal Government is currently looking into a primary residence capital gains tax as they have recognized that affordable housing has become a serious issue in Canada, and

Whereas smaller communities including the Town of Fort Erie are seeing unprecedented higher selling prices that are outpacing prices in larger cities, and

Whereas many hard-working Canadians who have only a primary residence with no additional non-primary homes count on their home equity as financial aid to apply to upsizing or downsizing their home depending on their personal situation, and

Whereas a change in taxation to primary residences would be a significant financial blow to Canadians and would create an unfair, two-tiered taxation which could lead to depleted savings, inter-generational disparities, disparities among diverse groups such as seniors who may have a significant portion of their savings vested in their primary residence, as well as, reducing the ability of home ownership thereby a further, higher need for rentals, and

Whereas the Federal government could look at other means to slow down the rapidly escalating housing costs to improve housing affordability;

...2

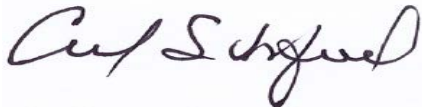

Now therefore be it resolved,

That: The Federal Government cease further consideration of eliminating capital gains tax exemptions on primary residences, and further

That: A copy of this resolution be circulated to The Right Honourable Justin Trudeau, The Honourable Doug Ford, Premier of Ontario, All Members of Parliament, All Members of Provincial Parliament, The Regional Municipality of Niagara, and all Municipalities, for their support.

Thank you for your attention to this matter.

RE: Endorsement of 988 Suicide and Crisis Prevention Hotline Initiative

The Council of the Corporation of Tay Valley Township at its Council meeting on June 22nd, 2021 adopted the following resolution:

RESOLUTION #C-2021-06-12

“WHEREAS, the Federal government has passed a motion to adopt 988, a National three-digit suicide and crisis hotline;

AND WHEREAS, the ongoing COVID-19 pandemic has increased the demand for suicide prevention services by 200%;

AND WHEREAS, existing suicide prevention hotlines require the user to remember a 10-digit number and go through directories or to be placed on hold;

NOW THEREFORE BE IT RESOLVED THAT, the Council of Tay Valley Township endorses the 988 crisis line initiative to ensure critical barriers are removed to those in a crisis and seeking help;

AND THAT, a letter demonstrating Tay Valley Township’s support be sent to the Honourable Patty Hajdu, Federal Minister of Health, Scott Reid, MP Lanark-Frontenac-Kingston, Randy Hillier, MPP Lanark-Frontenac-Kingston, Ian Scott Chairperson and Chief Executive Officer, Canadian Radio-Television and Telecommunications, and all municipalities in Ontario.”

RE: Provincial Hospital Funding of Major Capital Equipment

The Council of the Corporation of Tay Valley Township is requesting that further consideration be given to having the Province be financially responsible for the replacement costs associated with all major capital equipment in hospitals, as municipalities across the province are facing major shortfalls in meeting their financial obligations set out in their asset management plans and cannot afford to directly absorb the financial responsibility for the replacement costs of the hospitals' major capital equipment without jeopardizing their financial sustainability.

If you require any further information, please do not hesitate to contact the undersigned at (613) 267-5353 ext. 130 or clerk@tayvalleytwp.ca.

CORPORATION OF THE MUNICIPALITY OF CALVIN

Resolution

DATE: June 22, 2021 NO. 2021-163

MOVED BY Christine Shippam

SECONDED BY Dan Maxwell

“WHEREAS primary residences are currently exempt from a capital gains tax; and

WHEREAS currently secondary and additional non-primary properties are subject to capital gains; and

WHEREAS the Federal Government is currently looking into a primary residence capital gains tax as they have recognized that affordable housing has become a serious issue in Canada; and

WHEREAS small communities including the Municipality of Calvin are seeing unprecedented higher selling prices that are outpacing prices in larger cities; and

WHEREAS many hard-working Canadians who have only a primary residence with no additional non-primary homes count on their home equity as financial aid to apply to upsizing or downsizing their home depending on their personal situation; and

WHEREAS a change in taxation to primary residences would be a significant financial blow to Canadians and would create an unfair, two-tiered taxation which could lead to depleted savings, inter-generational disparities, disparities among diverse groups such as seniors who may have a significant portion of their savings vested in their primary residence, as well as, reducing the ability of home ownership thereby a further, higher need for rentals; and

WHEREAS the Federal government could look at other means to slow down the rapidly escalating housing costs to improve housing affordability;

NOW THEREFORE be it resolved that the Council of the Corporation of the Municipality of Calvin support the Corporation of the Town of Fort Erie as they lobby the Federal Government to cease further consideration of eliminating capital gains tax exemptions on primary residences; and

FURTHER that this resolution be forwarded to the Right Honourable Justin Trudeau; the Honourable Doug Ford, Premier of Ontario; and all Ontario Municipalities.”

June 2021

We're back in your communities

Our property inspectors are once again out in the community conducting exterior property inspections and collecting information that supports our work to keep Ontario's property inventory updated, including assessment of new construction, additions and renovations.

We resumed exterior property inspections across Ontario when the province entered Step One of *Ontario's Roadmap to Reopen* on June 11, 2021.

New property owner letters

Effective June 18, to enhance communication and assist with the timely update of property data, residential property owners may receive one of two letters from us:

- A letter asking them to call our Customer Contact Centre to verify their property details by phone. This letter will be sent to residential property owners with an active building permit for a minor renovation that may not require an on-site inspection.
- A letter indicating that we'll be in their community within the next eight weeks to conduct an exterior inspection of their property.

More information is available on a new [property inspections page](#) on [mpac.ca](#).

Our focus remains unchanged

We continue supporting municipalities by working to capture new assessment despite COVID-19 related closures and restrictions. To date in 2021, we have captured more than \$17.4 billion in new construction, additions and renovations.

We are still working with municipalities to receive digital building plans and to arrange for both curbside pickups and in-office viewing of paper building plans as needed.

If you have any questions, please contact your [local Account Manager](#).

MPAC at AMO 2021 conference

The COVID-19 pandemic changed our communities and our plans. We continue to focus on supporting the changing needs of municipalities by adapting, innovating and championing modernization, both within our business and related to our products and services. We are also looking ahead to a future province-wide Assessment Update. Join us to learn about how property values in Ontario have changed since 2016 and the ways we continue to support property owners in understanding their assessments.

Our update is scheduled for Monday, August 16 from 10:15am – 11:30am and features remarks by:

- Al Spacek, Chair, MPAC Board of Directors
- Nicole McNeill, MPAC President and Chief Administrative Officer

- 
- Carmelo Lipsi, MPAC Vice President and Chief Operating Officer
 - Allan Doheny, Assistant Deputy Minister, Ministry of Finance

We will also be hosting a session that looks at regional market trends in real estate, and will be participating on a panel about e-permitting.

Our session includes a question and answer period and we welcome your questions in advance, sent to [Julia Lipman](#), and live during our session. We encourage your questions so we can talk about the items that matter most to you!

If your municipality would like to meet with MPAC staff virtually during the AMO conference regarding a local property assessment issue, please reach out to [Jason Hagan](#) to make arrangements.

MPAC Monthly Webinars

We are taking a short break from our monthly webinars over the summer and will resume our monthly schedule in September. Next up: [***What is Payment in Lieu of Taxes \(PILT\)? How does the process work?***](#)

If you missed last month's webinar on how MPAC assesses properties in Ontario, [you can watch it here](#).

View the schedule of upcoming municipal webinars on [mpac.ca](#) and view recordings of all past webinars on our [YouTube channel](#).

Over recent months, MPAC has worked together with the City of Toronto and the Toronto Association of Business Improvement Areas (TABIA) to develop some potential policy options that would support tax relief for small businesses that have been impacted by rising property values and taxes.

MPAC staff met with councillors and the Mayor's office to explain these potential solutions and options for consideration based on the City's planning policies. MPAC provided the City with data analysis around various scenarios for the city to consider, and we were invited to participate in the City of Toronto's Expert Panel on Small Business Tax Class on June 14.

"It was great to have the support and data resources of MPAC as we worked through options for this significant policy issue" says Casey Brendon, Director of Revenue Services at the City of Toronto. "Although the City has not yet made a decision to implement the small business tax class for Toronto, our deliberations are more fruitful because of the analysis we were able to compile with MPAC's involvement."

Do you have a great story about our partnerships in action? [Share it with us.](#)

MPAC Holiday Closure

MPAC (including customer service support) will be closed from Wednesday, June 30 through Friday, July 2, 2021. We will reopen on Monday, July 5, 2021.

Join us for our 5 and a half Annual Golf Tournament

*We are very excited to announce that the **Brock Board of Trade** golf tournament will be going ahead this September. The golf tournament is BBOT's major fundraiser for the year, it allows us to serve our members and the business community at large in a bigger way. As we continue to grow, we will keep adding more value-added training and workshops and continue to help improve the business community in Brock in many different capacities.*

There are LOTS of options for you to participate and to get your business **SEEN, HEARD and CONNECTED** at this really fun, informal event:

- **Come out and play!** 18 holes with a golf cart make for a really fun, relaxing afternoon
- **Sponsor a hole!** We will create a custom sign for you on one of the holes on the course to get your business seen.
- **Join us for dinner!** The Albatross at Cedarhurst serves an amazing dinner for everyone registered. If you don't play golf, you can register just for dinner and take one home for the rest of the family.
- **Provide a prize!** We like to keep the day light and fun and reward those hard playing (and the not so hard playing) golfers. Donating a prize is a great way to showcase your business and product to everyone in attendance.
- **Donate some swag!** Each player will receive a welcome bag upon arrival. Another great way to get seen is to provide some swag in the welcome bags :-)

*There are so many possibilities to participate in this great event, and we would love to work with you on how best to get your business seen on **September 19th.***

*Due to the ongoing situation with COVID-19 the format of the tournament has changed. We will fill you in on all the details closer to the date.

Good Morning Everyone,

I am writing to you today to encourage your organization to submit a nomination and celebrate a Pandemic Hero who has been making mental health a priority during the COVID-19 pandemic.

Ontario Shores has partnered with the Canadian Mental Health Association (CMHA) and the Mental Health Commission of Canada (MHCC), to launch the [Pandemic Heroes – Standing Up for Mental Health](#) awards campaign, which is a celebration of Canada's collective commitment to mental health during the COVID-19 pandemic.

Whether it was an employer introducing virtual services to support the mental health needs of its employees, businesses making donations to support those working on the front lines or a young person organizing the creation of a rock garden to raise the spirits of our healthcare heroes, there are multiple examples of Canadians finding ways to lift each other up during the pandemic.

With five distinct categories, Pandemic Heroes is now accepting nominations to recognize the efforts of individuals and businesses from across the country.

AWARD CATEGORIES

[Caring Partner](#)

Private business which went above and beyond to support essential service workers

[Community Leader](#)

Positively impacted the mental health of their community

[Essential Service Employer](#)

Supported the mental health needs of their essential service employees

[Inspiring Youth](#)

Person aged 18 or younger who positively impacted the mental health of their community

[Healthcare Hero](#)

Enhanced the mental health of colleagues, patients and/or community members while continuing to provide direct patient care

Selected recipients will be recognized at the Pandemic Heroes – Standing Up for Mental Health Gala hosted by mental health advocate and former Olympic rower Silken Laumann scheduled for December 2, 2021 at [OMNI King Edward Hotel](#) in Toronto.
Thank you for considering a nomination submission.

Regards,

Darryl Mathers
