Be Recognized Provincially in EDCO's Top Ten

We are excited to announce EDCO's newest pilot project to help celebrate our members and their achievements over the past two years. We hope by highlighting all of your hard work we can underscore the importance of economic development in communities.

Applications are due by [June 15, 2021](#), and winners will be announced in early July. Applications can be nomination or self-nomination, with bullet points encouraged.

[Apply Now](#)

EDCO Member Survey Closing Soon

EDCO Members, we want to hear directly from you! Please take a few minutes to complete our brief survey to help us provide content and programming specific to your needs. This survey will be open until [June 7, 2021](#).

Thank you in advance for your feedback and participation!

[Complete the Survey](#)

Applications Open for EDCO's 2021 Bright Ideas Competition

Join this year's [Bright Ideas Competition](#) to embark on a journey of learning, explore new solutions, and experience what it's like to work with like-minded colleagues from across the province.

The Bright Ideas Competition is an annual idea competition for economic development practitioners of all experience levels. It is designed to give economic developers the opportunity to develop a modern response to proposed topics, have the work evaluated and receive 5 professional certification points towards your designation.

2021 topics address timely economic development challenges in our province:

1. Disaster Preparedness and Economic Resilience
2. Tackling Diversity in the Economic Development Profession
3. Tourism Recovery
4. Coping with Housing and Commercial Real Estate Demand
5. Building Better Communities through Diversity, Equity & Inclusion

Read full topic descriptions and previous final submissions [here](#). Applications will be open until [June 4, 2021](#).

[Apply Now](#)

EDCO Member Updates

Call for Conference Committee

Planning for EDCO's next conference has begun! If you are interested in being a part of the Committee, reach out to us at grow@edco.on.ca and we can answer any questions. No specific experience is required and all are welcome!

New Incentives for Driving Traffic into Your Local Businesses

EDCO has launched a new service for Ontario communities to drive economic development by rewarding people for exploring. Called EDCO Insider and powered by [468 Communications](#), the service allows individual communities to easily and cost-effectively create their own customized apps and build incentives for people to visit places of interest or make purchases locally.

For more information about EDCO Insider, please visit edco.on.ca/insider.

Membership Renewal Fees Due for 2021

Invoices for 2021 have been emailed to members for renewals. Payments can be made online, by cheque, or EFT.

For more information on how to set up for EFT payment or for questions about your membership, please contact Taylor Chamberlain at: grow@edco.on.ca

News Releases

Ontario Supporting Screen-Based Industries during COVID-19

The Ontario government is providing one-time funding of \$3 million to the Canadian Film Centre (CFC) as part of the province's efforts to support the film, television and new media industries, as they continue to deal with the daily impacts of the COVID-19 pandemic.

Diversity, Equity & Inclusion in LED Seminar

Date: May 27, 2020

Time: 9:30 to 4:30 PM EDT

Registration Fee: \$195 - \$295

As LED professionals work to restore their local economies, they must "build back better" by considering how diversity, equity and inclusion can transform their local community development in post-covid recovery. While the pressures of this global pandemic have revealed fissures in dated and inequitable patterns of economic development, it has also given LED professionals the opportunity to better understand the diverse needs of their community. Diversity, equity, and inclusion in LED has the potential to build and transform community. In this seminar you will gain in-depth insight and tools on:

1. Macro and microeconomic indicators to consider for recovery and the impact of economic stimulus on the economy;
2. What is the difference between "diversity", "equity" and "inclusion" and how they relate to LED;
3. What inclusion and exclusion are and their economic impacts;
4. Strategies and Tactics to introduce diversity, equity and inclusion into your LED recovery plans;
5. Strategies and tactics to work with municipal planning divisions and other stakeholders.

You'll also receive a workbook covering:

- Top 10 Diversity, Equity, Inclusion metrics to consider for LED
- Strategies and tactics on working with municipal planning divisions to support Diversity, Equity and Inclusion in municipal planning.

Information Bulletin

TRENT-SEVERN WATERWAY 2021 NAVIGATION SEASON

PETERBOROUGH, ONTARIO, MAY 21, 2021 – Parks Canada advises that the Trent-Severn Waterway is scheduled to re-open for navigation on Friday, May 28, 2021 at 9 a.m.

Navigation will remain closed over the May long weekend.

Please be advised that operation of the Peterborough Lift Lock will be available on a modified basis starting on May 28, 2021, with an anticipated return to full operation by the end of June 2021. In order to transit as many vessels per day as possible, lockages will be scheduled, allowing for one complete transfer up and down per day. Boaters will be asked to disembark their vessels while the transfer is underway.

More details on the 2021 Navigation Season will be provided over the coming week.

Boaters wishing additional information to aid with trip planning can contact us via email at pc.trentsevern.pc@canada.ca

Consistent with provincial direction, visitors are strongly encouraged to remain in their local area when undertaking outdoor recreation activities.

For the most up-to-date information regarding our facilities and services, please visit us online at www.pc.gc.ca/trent or follow us on social media @TrentSevernNHS

2020 AMO Conference

May 22, 2021

AMO Conference Just Three Months Away!

As we celebrate the Victoria Day long weekend in Ontario, all thoughts are on moving forward and putting the worst of the pandemic behind us. There is much room for optimism and hope. Municipalities have distinguished themselves in the service of their communities and will play a leading role in the recovery.

AMO has worked hard over the past 14 months to support our members, provide critical information, and to advocate for policy changes and financial support to help make your job a little easier.

In 2020, AMO's virtual conference made sure that you could remain connected, gain critical insights, and advocate for local priorities through minister's delegation meetings. Your support for the virtual 2020 AMO conference made it a great success. The AMO Conference will be virtual again in 2021, and we are presenting an amazing lineup of speakers, policy workshops, networking sessions, and an opportunity for your council to connect with ministers on local matters.

Here are some of the highlights:

Keynote speakers include journalist **André Picard** on the state of long-term care in Canada, **Sheila Watt-Cloutier** on the social, cultural, and economic impacts of climate change, and **Anthony McLean** on bias, inclusion and mental health.

Our second **Women's Leadership Forum** features Ontario's Lieutenant Governor **Elizabeth Dowdeswell**, groundbreaking parliamentarian and activist **Jean Augustine**, and MP for Saanich-Gulf Islands **Elizabeth May**. The forum will be moderated by **Nam Kiwanuka**, host of TVO's *The Agenda in the Summer*.

Our **Path to Economic Recovery Panel** will feature Finance Minister and Treasury Board President **Peter Bethlenfalvy**, Atkinson Fellow on the Future of Workers, **Armine Yalnizyan** and President and CEO of the Retail Council of Canada, **Diane J. Brisebois**. The panel discussion will be moderated again this year by **Steve Paikin**, host of TVO's *The Agenda with Steve Paikin*.

You will hear directly from the Premier and key Ministers, along with all the political Party Leaders. You can participate in **three Ministers Forums** moderated by TVO's **John Michael McGrath**. There will be 15 workshops dealing with the most topical policy issues, ranging from climate change and housing to broadband and long-term care. The Conference is also an important opportunity to engage with sponsors and exhibitors connected with Ontario's \$50 billion a year municipal sector.

And, of course, **delegation meetings with Ministers** are a key feature of the AMO Conference. To request delegation meetings as part of your AMO 2021 Conference experience, visit the Conference [website](#) and click on the "Delegations" tab before the **deadline of June 4**. Don't forget, you must be a registered delegate to participate in delegation meetings.

For more information and to register for the 2021 AMO Conference, August 15-18, [click here](#). If you have questions that are not answered there, please send them to events@amo.on.ca.

File #120203

Sent via email: premier@ontario.ca

The Honourable Doug Ford, Premier of Ontario
Legislative Building
Queen's Park
Toronto, ON M7A 1A1

Honourable and Dear Sir:

Re: Province Investigating and Updating Source Water Protection Legislation

Please be advised the Municipal Council of the Town of Fort Erie at its meeting of April 26, 2021 passed the following resolution:

Whereas the Municipal Council of the Town of Fort Erie passed a resolution on October 21st, 2019 identifying that 1,100 private water wells were in operation in the Town of Fort Erie, of which 75% were used for domestic purposes including human and livestock consumption, and

Whereas the Municipal Council of the Town of Fort Erie further identified in that resolution that Council requires the protection of water in the aquifer supplying water to those wells from contamination as the result of any remediation of Pit One owned by the Port Colborne Quarries in the City of Port Colborne, and further

Whereas Report No. PDS-23-2021, approved by Council on March 22, 2021, identified that while the Niagara Peninsula Conservation Authority, The Regional Municipality of Niagara and Local Area Municipalities work together to protect source water, these plans do not generally apply to private servicing, and

Whereas Report No. PDS-23-2021 further identified efforts undertaken by the Town of Fort Erie through available provincial planning policy, regulation and legislation to protect source water within the Town of Fort Erie without any explicit ability to designate source water protection for private services, and

Whereas on July 28, 2010, through Resolution 64/292, the United Nations General Assembly explicitly recognized the human right to water and sanitation and acknowledged that clean drinking water and sanitation are essential to the realization of all human rights, and

.../2

Web-site: www.forterrie.ca

Whereas it would be desirable to ensure that those in our community who rely on wells and other private servicing for clean drinking water are afforded the same source water protection as municipal drinking water systems;

Now therefore it be resolved,

That: The Municipal Council of the Town of Fort Erie recognizes and acknowledges that clean drinking water and sanitation are basic human rights and essential to the realization of all human rights, and further

That: The Municipal Council of the Town of Fort Erie requests that the Ministry of Environment, Conservation and Parks consider legislative changes that would permit the expansion of source water protection to aquifers and private services, and further

That: This resolution be circulated to The Honourable Doug Ford, Premier of Ontario, the Honourable Jeff Yurek, Minister of the Environment, Conservation and Parks, Wayne Gates, MPP Niagara Falls, Jeff Burch, MPP Niagara Centre, Jennifer Stevens, MPP St. Catharines and Sam Oosterhoff, MPP Niagara West, and further

That: This resolution be circulated to all Conservation Authorities and Municipalities in Ontario for their endorsement and support.

Thank you for your attention to this matter.

Dear Minister Hajdu:

Re: Endorsement of 988 Suicide and Crisis Prevention Hotline Initiative

At its Regular meeting held on May 17, 2021, the Council of the Corporation of the City of Owen Sound considered the above noted matter and passed Resolution No. R-210517-009 as follows:

R-210517-009

"WHEREAS the Federal government has passed a motion to adopt 988, a National three-digit suicide and crisis hotline; and

WHEREAS the ongoing COVID-19 pandemic has increased the demand for suicide prevention services by 200%; and

WHEREAS existing suicide prevention hotlines require the user to remember a 10- digit number and go through directories or be placed on hold;

THEEFORE BE IT RESOLVED THAT City Council endorses the 988 crisis line initiative to ensure critical barriers are removed to those in a crisis and seeking help; and

THAT a letter demonstrating City Council's support be sent to the Honourable Patty Hajdu, Federal Minister of Health, the Honourable Alex Ruff MP Bruce-Grey-Owen Sound, the Honourable Bill Walker MPP Bruce-Grey-Owen Sound, Ian Scott Chairperson and Chief Executive Officer, Canadian Radio-Television and Telecommunications and all municipalities in Ontario."

If you have any questions or concerns, please do not hesitate to contact me.

MEDIA RELEASE

May 26, 2021

\$135,300 OTF Grant helps CCD plan for its Future

WHITBY, ON – On Wednesday, MPP Lorne Coe and Dave Saunders, Chair of the Ontario Trillium Foundation’s (OTF) local Grant Review Team, met with representatives from Community Care Durham (CCD) to hear more about the work happening as a result of CCD receiving a \$135,300 Resilient Communities Fund grant from OTF. The grant is allowing CCD to continue moving forward from the impacts of COVID-19 by refreshing its Strategic Plan and implementing a new fundraising strategy for its vital programs and services.

“Since the beginning of the COVID-19 pandemic, the Ontario government has committed to supporting those struggling the most,” said Whitby MPP Lorne Coe. “This funding will help Community Care Durham adapt to the challenges created by the pandemic - ensuring they can continue to provide the best services possible and make a positive difference in the lives of individuals and families across the Region of Durham.”

During the pandemic, CCD has experienced a dip in its revenues due to decreased client fees and an inability to use traditional fundraising methods. OTF’s Resilient Communities Fund grant will enable CCD to improve its ability to access financial resources and develop alternative sources of revenue. The grant will help with salaries for two positions focused on developing new fundraising strategies and communications.

“We plan to refocus our fundraising efforts to establish a long-term Capital Development Campaign that enables CCD to create a long-lasting social impact by assisting older adults and other vulnerable residents to remain safely and independently in their own homes,” said James Meloche, CEO, Community Care Durham. “Ultimately, this Campaign will support CCD’s goals of establishing Community Health and Wellness Hubs across Durham, and leverage technology to enhance the client’s care experience.”

Community Care Durham’s new fundraising strategy will address the challenges faced by traditional “event” fundraisers resulting from COVID-19. The plan will include research into CCD’s ability to raise funds through new avenues, as well as the capacity to fundraise in the Durham Region in the aftermath of COVID-19. Funds from the grant will also be used to purchase new computer equipment, developing and producing information materials and to help with rental space costs for the Community Food Box program.

Community Care Durham is a multi-service, registered charitable organization providing a broad range of support services for individuals over the age of 16 and their caregivers so that people are enabled to maximize their independence and thrive where they choose to live. It helps residents throughout Durham Region maximize their independence and thrive where they choose to live.

The Ontario Trillium Foundation (OTF) is an agency of the Government of Ontario and one of Canada’s leading granting foundations. OTF awarded \$115 million to 644 projects last year to build healthy and vibrant communities in Ontario.

NO. 2021-137

MOVED BY Christine Shippam

SECONDED BY Sandy Cross

“That Dead-End Road delegations be received from parents, video, site www.durhamdeadendroadkids.ca and attached correspondence and;

Whereas Dead-End Road Kids (cul-de-sacs, private roads) busing is being moved from long-time residential pick-ups; percentages of 830,000 Ontario based students impacted as Student Transportation Services (STS) citing buses shouldn’t access private roads, do 3-point turns, or backups; kids are expected to walk 1-2 km twice daily (caregivers 4x) in the morning dark or narrow road shoulders, and with no “bus stop ahead” warning signage;

Whereas parents report employment/housing is at risk as they must leave work to drop off/pick up children to avoid safety hazards of kids walking on highways unsupervised; secondary school youth reporting education at risk as missing class/affecting grades; children with disabilities are not helped (e.g. double amputee who needs bus stop moved 160 ft. and parents were told it’s their “responsibility to get kids to bus safely”);

Whereas parents are being told busing policy is schoolboard’s, but schoolboard say its STS, who say it is the Governance Committee of Ministry of Transportation, but Ministry of Education say it’s “transportation consortia who administer the policy”; and trustee, governance say cannot change policies, so parents appealing to police, press and Councils with respect to the dangers; and that an oncoming car killed 12 year old Cormac and injured his sister while waiting at a newly relocated bus stop at the base of a hill, and;

Whereas STS have advised road improvements are the responsibility of municipalities, yet municipalities do not own the needed land, nor have millions of dollars to create 77m bus turnarounds, and;

Whereas Ontario Transportation Funding is \$1 billion: Jan 27/20 Ministry said they’d improve student transportation, review funding formula; and given STS gets their funding by scoring well in reviews, and given Ministry establishing “Student Transportation Advisory Group” to hear STS sector expertise experience, and ideas;

Now Therefore Be it Resolved that the Corporation of the Municipality of Calvin requests;

1. Exceptions to allow 3-point turns or backing up where necessary, to provide safer service to dead-end and private road kids, that policies be amended to reflect; and when not possible,
2. Exceptions to allow indemnification agreements to access private land for bus turnarounds to keep bus stops safer and closer to prescribed 800m distance; and when not possible,

- 3. "Bus Stop Ahead" warning signage be required to notify oncoming traffic, prior to STS moving common stops to main roadway and,
- 4. STS be comprised of solutions like mini-buses, vans, taxis or public transit worked into funding formulas so that it does not negatively impact STS funding stats; and,
- 5. Kid Key Performance Indicator (KPI) be included for Ministry "Effectiveness & Efficiency Follow Up Reviews", establishing benchmarks for responsive problem solving for kids & parents' busing concerns, and that this be an STS factor to receive funding; and,
- 6. That the Province provide a "Parent Portal" for ongoing busing feedback of their STS, so families and kids can review/provide comments, especially during Ministry STS reviews and revisions to funding; and,
- 7. That the Province have GPS tracking software to notify parents when children picked up/dropped off, and;

That this Motion be distributed to Premier Doug Ford; Honourable Stephen Lecce, Minister of Education; Honourable Caroline Mulroney, Minister of Transportation; Honourable Vic Fedeli, MPP; Honourable Anthony Rota, MP; all Ontario Municipalities; Rural Ontario Municipal Association (ROMA); Ontario Good Roads Association (OGRA); and Association of Municipalities of Ontario (AMO).

Durham Region

Metrolinx staff make a young woman's final wish to operate a train come true

Romina stands next to a GO Transit Safety officer and his K9 partner at the UP Express terminal at Union Station.

Transit vehicles, especially big commuter trains, can inspire imagination and even a bit of awe. But for some, they become the thing of dreams and wishes. In her latest column, Anne Marie Aikins, Metrolinx's well known head of media relations, writes about a young woman who had one wish, set against the most difficult of times.

Read the full story on [Metrolinx news](#).

Durham-Scarborough Bus Rapid Transit

The Durham-Scarborough Bus Rapid Transit (DSBRT) line will bring 36 kilometres of bus rapid transit that would serve Oshawa, Whitby, Ajax, Pickering and Scarborough. Higher capacity transit is needed to link communities, employment, schools, and other major destinations along Highway 2.

The DSBRT project will allow for seamless connections with local transit networks, providing the residents of Durham Region more flexibility and choice to get where they need to go, faster and more reliably.

Next Steps

Spring 2021:

- Prepare draft Environmental Project Report (EPR)
- Update to municipal and regional councils

Summer 2021:

- Commence the Transit Project Assessment Process (TPAP) and formal public consultation period (including public information centre #4)

2022:

- Preliminary Design Business Case

Connect with us - we want to hear from you!

We want to answer your questions and work with you to make the DSBRT project a valued part of your community. Your input is vital to moving this important project forward.

To keep informed on upcoming public engagements, please subscribe to our Durham regional e-newsletter [here](#), and to our project mailing list by e-mailing us at DSBRT@metrolinx.com. For more information on the DSBRT project and our previous public engagements, please visit [Metrolinx Engage](#).

Join Us For Our Upcoming Virtual Open House (Oshawa)

When it comes to building transit, we know that every decision matters for our communities and our future customers. Join us virtually on **Thursday, June 3, 2021 at 6:30 p.m.** as our project experts review the preliminary design for Oshawa.

Community members can register for and attend this virtual, fully accessible event on [Metrolinx Engage](#).

Rendering of Bond Street West at Stevenson Road North, Oshawa. All renderings are subject to change.

Join us on Metrolinx Engage.

- To register, visit: [Durham-Scarborough Bus Rapid Transit – Oshawa LIVE – June 3, 2021 | Metrolinx Engage.](#)
- Project update and overview to be presented.
- Ask your questions and provide feedback.

Lakeshore East (905)

GO Station Upgrades and Updates:

Pickering GO Station

We're making improvements to Pickering GO station by updating and replacing the staircases in the east tunnel.

Each staircase will be closed in phases with access to the platform maintained from an alternate staircase. The work is expected to be completed by July 6.

Ajax GO Station

Ongoing demolition of two Metrolinx-owned properties at Ajax GO Station. Please exercise caution around active construction areas.

Whitby GO Station

Station building elevator construction started May 25.

- Elevator access to the platform remains in the pedestrian bridge accessed through the south parking lot. Please be advised that the platform is currently not accessible by elevator from the pedestrian tunnel.
- If you are parked in the north parking lot and require elevator access, there is a shuttle service for customers with accessibility needs. This shuttle service will transport passengers from the north parking lot to the south parking lot to access the pedestrian bridge elevator.
- To register for our accessible shuttle service please call GO Transit at 416-869-3200 or 1-888-438-6646 (toll free). You can also request a paper copy of the request form from a station ambassador. Requests should be made 48 hours in advance of travel.

Route 52 - Oshawa / Hwy 407

We are serving the southbound stop at Simcoe Street and Britannia Avenue in Oshawa. For the northbound stop, we are still using the Ontario Tech University location.

For more information please visit our [Service Updates](#) page.

Bowmanville Expansion

Geo-technical Investigative Work

Along the CP-owned corridor there is geo-technical investigative work underway. This work is to collect information for the future Bowmanville Expansion Project between Oshawa GO Station and

Bowmanville Avenue in Bowmanville. The geo-technical work is necessary preliminary works in advance of Bowmanville Expansion construction. This work will be ongoing into summer 2021.

What to Expect?

This geo-technical work requires the drilling of boreholes and testing soil conditions for the future construction of corridor infrastructure. This work will take place during day time hours. Residents can expect to see a small drill rig, trucks, and a work crew working within, or near the rail corridor. Typical construction impacts can be expected, such as noise, vibration and dust.

Bowmanville Expansion

The Initial Business Case (IBC) for the Bowmanville rail service expansion is finalized. The IBC examined various options and allowed Metrolinx to select one single option for further development through preliminary design and to be evaluated through a Preliminary Design Business Case (PDBC). The PDBC is the next step in Metrolinx's business case lifecycle. For more information click [here](#).

Visit our [Bowmanville Expansion](#) page for the most current information on this project.

NO. 2021-136

MOVED BY Heather Olmstead

SECONDED BY Christine Shippam

“That Council hereby requests Staff to contact the Ministry responsible for the Alcohol and Gaming of Ontario to seek their assistance in implementing an additional level of licensing which would permit small organizations to hold fundraisers as a method of sustaining our community and organizations;

And further that all municipalities in Ontario are sent this resolution to seek their assistance in lobbying the Ministry.”

On May 27, 2021 Regional Council adopted the following:

WHEREAS over 70% of the adult population in York Region has received their first dose; and,

WHEREAS over 65% of the adult population in Ontario has received their first dose; and,

WHEREAS hospitalizations, ICU occupancy and new admissions and case rates have all declined and continue to trend downward; and,

WHEREAS Step One of the Provincial roadmap states “may begin after 60 per cent of Ontario’s adults receive at least one dose of a COVID-19 vaccine and if, and only if, public health indicators, such as hospitalizations, ICU occupancy and new admissions and case rates indicate the province can safely move to this step of the roadmap.”; and,

WHEREAS according to an independent modelling company, a fourth wave for York Region is not on the cards if we re-open after June 2, 2021; and,

WHEREAS the Province “Stay at Home” order originally was to expire June 2, 2021;

THEREFORE BE IT RESOLVED THAT York Regional Council request the province consider entering Step 1 of the “Provincial Roadmap to Reopen” as of 12:01 am May 31, 2021; and,

BE IT FINALLY RESOLVED THAT a copy of this Motion be sent to the Honourable Doug Ford, Premier of Ontario, the Honourable Christine Elliott, Minister of Health, Dr Dave Williams, Chief Medical Officer of Health, all MPPs in the Province of Ontario, and all Heads of Council.

Good afternoon

In response to a municipal request we received recently about our messaging on feeding wildlife, the Communications team published new content to our website.

We're sharing this content with our municipal and neighbouring CA communications staff and ask that you share with the staff at your respective organizations that may be dealing with the issue of wildlife feeding.

To whom it may concern:

Re: Resolution of Support – Support for 988 three-digit Suicide and Crisis Hotline

Please be advised that at the May 19, 2021 Regular Meeting of Council, the following motion was carried:

No. 2021-283

Moved By Councillor Dobreen

Seconded By Councillor Sherson

Whereas the federal government has passed a motion to adopt 988, a National three-digit suicide and crisis hotline; and

Whereas the ongoing COVID-19 pandemic has increased the demand for suicide prevention services by 200%; and

Whereas existing suicide prevention hotlines require the user to remember a 10-digit number and go through directories or be placed on hold; and

Whereas in 2022 the United States will have in place a national 988 crisis hotline; and

Whereas the Township of Southgate recognizes that it is a significant and important initiative to ensure critical barriers are removed to those in a crisis and seeking help;

Therefore be it resolved that the Township of Southgate endorses this 988 crisis line initiative; and

That a copy of this resolution be sent to Bruce-Grey-Owen Sound MP Alex Ruff, Bruce-Grey-Owen Sound MPP Bill Walker, Federal Minister of Health Patty Hajdu, the Canadian Radio-television and Telecommunications (CRTC) and all municipalities in Ontario.

Carried

If you have any questions, please contact our office at (519) 923-2110.

Sincerely,

Lindsey Green

Lindsey Green, Clerk
Township of Southgate

AMO Matters

Has your community financed an innovative, exciting, or impactful infrastructure project with the federal Gas Tax Fund? [Apply for an AMO Federal Gas Tax Award](#) to celebrate your municipality's efforts!

Provincial Matters

The Ministry of the Environment, Conservation and Parks has posted a proposed Land Use Compatibility Guideline for consultation ([ERO 019-2785](#)) until July 3; municipal webinars are also being organized (June 2: [registration](#); June 9: [registration](#); and June 16: [registration](#)).

Federal Matters

Local governments, and other eligible organizations may apply to [Round 2 of the Housing Supply Challenge](#) for up to \$75,000 to prototype their solutions. Applicant support consultations are now open.

Eye on Events

2020 was an historical moment for laying bare the necessity to honestly and

transparently face the issues of human rights, diversity, equity and inclusion. AMO has developed training to help members better understand these important and complex issues along with their roles and obligations. AMO has added a second date for this in demand training. Space is limited.

Delegation meetings are a key feature of the AMO Conference. To request meetings as part of your AMO 2021 Conference experience, visit the Conference website and click on the “Delegations” tab before **June 4**. Don’t forget, you must be a registered delegate to participate.

AMO and the Loomex Group are offering training that provides tools for elected officials to build resilience and strength in providing leadership through and beyond COVID-19. *Leading Through Crisis: Strengthening Personal Resilience* training is now also being offered on June 17, 2021. This important training has limited capacity, register today.

Join this 3 hour workshop on May 27 or June 3 to learn the fundamentals of planning and your important role as an elected official in decision making. Register here.

4S Consulting Services, AMO’s occupational health and safety service partner, is offering JHSC online training at member preferred pricing. Use the code **AMO2021** at checkout.

LAS

Do you cringe at the thought of having to use Excel? Aliya, our Energy Billing & Settlement Clerk, has written the latest blog on simple ways to use Excel so you can keep your sanity.

Safe sidewalks are an important part of any active community. A sidewalk assessment through LAS provides a detailed analysis of your sidewalk network, including trip hazards and accessibility compliance. Know the condition of your pedestrian infrastructure to get the most out of your maintenance budgets. Contact Tanner for a free quote.

Mark your calendars! Stay tuned for our **big reveal on June 1**. Exciting changes are coming to the face of our Municipal Group Buying Program.

The Ministry of Energy, Northern Development and Mines is now accepting O. Reg. 507/18 annual energy reports. Reporting is for the energy used in 2019 and due by July 1, 2021. Ministry information webinars will be on June 9 and 23. For any questions, email BPSsupport@ontario.ca.

Careers
