***Celebrating 100 Years 1922-2022***

*We dig gardening*

May 1, 2022

Mayor John Grant and Members of Council:

The Beaverton Horticultural Society will be celebrating their 100th Anniversary in 2022. We are hoping to make our Annual Plant Sale a community focused, celebratory event. The Plant Sale and 100<sup>th</sup> Anniversary Celebration is planned for May 21, 2022 from 10am to 2pm and will be held at White's Creek Flower Farm (just outside of Beaverton). We have lots of fun activities planned in addition to our Annual Plant Sale.

We are excited to announce that the Beaverton Lions Club will be hosting a community BBQ (hamburgers, hotdogs, tea, coffee, as well as soft drinks) in conjunction with our event. For kids and families, we will have free face painting and fun garden related activities designed to inspire young gardeners. We have invited ten local vendors specializing in garden/nature related items to participate in our 100<sup>th</sup> Anniversary Celebration.

We would like to extend an invitation to you and Members of Council to attend this celebration of our 100th anniversary. As part of our rebranding and in line with our desire to be recognized as an inclusive group where everyone feels welcome, at home and connected, we have changed our name to Beaverton Garden Club. We are excited to celebrate this first step toward our second 100 years.

We look forward to your participation in this celebratory community event.

Sincerely,

Ainsley Gillespie
