### AMO-Frequency Foundry Digital CRM Pilot for Small Municipalities – Call for Submissions REMINDER

Dear Members,

Last year, after a competitive procurement process, AMO announced a partnership with Frequency Foundry, a digital citizen relationship management (CRM) provider to offer members the benefits of online 3-1-1 technology. In the RFP, AMO required that the successful partner offer a pilot program to ensure that the technology can be scalable to municipalities of all sizes in Ontario. In particular, that a digital CRM can be implemented for small, rural, northern, and/or remote municipalities.

CRM software allows municipalities to manage internal and external relationships and the data associated with those interactions. Through CRM technology, your residents can submit 3-1-1 requests, track their case submission from start to completion, and access other features so that they know their municipality is serving their needs. CRM technology can also be used to enhance and improve internal administration and operations across all municipal departments potentially aiding municipalities in finding efficiencies and cost savings.

AMO and Frequency Foundry want to pilot the Dynamics 365 Signal 3-1-1 solution with two, small municipalities. One pilot will have a population under 10,000. The other

will have a population of 10,000 to 25,000. Pilots will be able to test Frequency Foundry's Signal 3-1-1 solution for three months.

Interested municipalities should answer the following questions in their submissions:

1. Name of Municipality
2. What is the population of your municipality? (based on most recent Census)
3. What is the state of readiness of your municipality? Is your municipality prepared to implement a digital CRM solution? Please provide documentation. For example, proof of council support (i.e. resolution), letter from CAO stating municipality's readiness, etc.
4. Implementation costs will be covered by Frequency Foundry but user licenses (seats) will require the successful pilot to cover those costs. A small municipality should be able to operate the solution for approximately \$2,000 per month with a minimum of five users. The Ministry of Municipal Affairs and Housing modernization funding from last spring could potentially be used towards this pilot. Does your municipality have budget dollars for 2020 allocated towards an initiative such as operating a CRM?
5. Promoting the success of the pilot will require staff within your municipality to participate with AMO and Frequency Foundry in developing a case study (for a report, webinars, presentations at events such as the AMO Conference, etc.) Does your municipality consent to participate as a case study for promotional purposes?

AMO will also require the pilots to answer a follow up questionnaire at the conclusion of the test period as part of AMO's reporting of the project to the membership.

Submissions are due **Friday, February 14 at 4:30:00pm (EST)**. Please email your submission to Nicholas Ruder, AMO/LAS Research Advisor at [nruder@amo.on.ca](mailto:nruder@amo.on.ca). Questions about the pilot project can also be directed to the same contact.

Submissions will be reviewed by an AMO committee with support from Frequency Foundry.

FOR IMMEDIATE RELEASE – Durham Region, Ontario

UP! Sales Talks, a popular learning and networking business series in the Durham Region, is growing with more speakers in more municipalities!

"Frank and I came up with this idea to have a series of practical and candid speakers sharing their journey of growth and sales strategies used to excel. The biggest challenge for businesses is to keep their sales pipeline full. Frank brings some amazing speakers to the table!" - Teresa Shaver, Executive Director, Business Advisory Centre Durham (BACD)

"UP! Sales Talks is about people sharing their stories – letting you know you're not alone, and that whatever happens, all those sleepless nights, all of those business frustrations, will lead to success just like it has for our speakers." – Frank Auddino, Angel Investor

For the past three years, nine sessions a year with one speaker per session have been held in the Centennial Building at The Town of Whitby.

In 2020, UP! Sales Talks will be presented quarterly, highlighting three speakers from morning until noon at several locations including at the Town of Ajax, the Town of Whitby, and the City of Oshawa.

UP! Sales Talks offers attendees a no-cost opportunity to learn and connect in a casual environment designed to help businesses grow.

Each event is sponsored by Auddino / Del Ducca, Business Advisory Centre of Durham, 1COMMUNITY1, and a municipal partner including Town of Ajax, Town of Whitby and City of Oshawa.

Jay Kilgannon of RBC Wealth Management has been an on-going partner in providing breakfast for attendees and will be providing breakfast for the March 4th event.

1COMMUNITY1 creates a video and photo montage of each event. You can see those videos here

The first talk of 2020 will be held on Wednesday, March 4 between 8:00am - 11:30am at the Audley Recreation Centre, 1955 Audley Road, Ajax, ON.

The March event will feature new guest speaker, Ryan Smolkin of Smoke's Poutine in Ajax, and returning by popular demand are UP! Sales All-Stars, Audrey Jamieson of Marketing Kitchen and Mark & Carissa Stewart of WonderMakr.

UP! Sales Talks are not to be missed! Join us for an opportunity to gain valuable information to help you and your business.

Register to reserve your spot!

**2020 SCHEDULE: 8:00am - 11:30am**  
**March 4 - Audley Recreation Centre, Ajax**

Good morning,

I am contacting you on behalf of the Ontario Public Service to provide information regarding the 2020 Summer Employment Opportunities recruitment initiative. I encourage you to share this information with students in your community.

The [Summer Employment Opportunities \(SEO\) program](#) provides up to 5,000 students with the opportunity to gain valuable work experience through supervised summer employment in the Ontario Public Service.

These positions enable students across the province to gain valuable work experience and develop skills which are transferable to the labour market. Positions for summer 2020 will be posted on **February 10, 2020** with six different **closing dates** between **February 28** and **April 3**.

I would appreciate if you would promote these opportunities to your students by:

- Sharing our [promotional posters](#) with students and/or youth organizations in your locality
- Following us on social media; Twitter and Facebook at @ONgov

If you require additional information or hard copies of the promotional materials, contact us at [SEO@ontario.ca](mailto:SEO@ontario.ca).

Dear Minister Hardeman,

Ontario farms have come under increasing threat from trespassers and activists who illegally enter property, barns and buildings, causing significant disruptions to the entire agri-food sector. These activists are trespassing under false pretenses to gain entry on to farm properties. They have seized private property and threatened the health and safety of Ontario farms, employees, livestock and crops. These individuals and organizations are causing health and safety concerns and undue stress to Ontario farmers, their families, and their businesses. Once peaceful protests have escalated to trespassing, invading, barn break-ins and harassment. These incidents distress farmers, their families and employees, and threaten the health of livestock and crops when activists breach biosecurity protocols, ultimately putting the entire food system at risk.

We strongly support the new proposed legislation, *Bill 156: Security from Trespass and Protecting Food Safety Act*. This new legislation is an important way to keep our farm and food supply safe for all Ontarians. Bill 156 provides a balanced approach to protecting farms while recognizing a citizen's right to protest. This new legislation will ensure farm businesses have a legal standing to protect their farm, family and employees, livestock, crops and ultimately the entire food system. *Bill 156: Security from Trespass and Protecting Food Safety Act* is good news for Ontario's agri-food industry.

Thank you for this important new legislation. Protection of our Ontario Agriculture should be the highest priority.

Sincerely,

Dan Yake  
Acting Mayor

**RESOLUTION NO. 2020-058**

**DATE: February 4, 2020**

**MOVED BY: Councillor Prinzen**

**SECONDED BY: Councillor Bailey**

**Council's support for Bill 156, Security from Trespass and Protecting Food Safety Act (enforcement for safety on family farms)**

**WHEREAS** the Township of Warwick, and many other municipalities have passed resolutions of support for Bill 156, Security from Trespass and Protecting Food Safety Act;

**AND WHEREAS** agriculture is the second largest industry in Ontario, contributing \$13.7 billion annually to Ontario's GDP and is essential for putting food on the tables of millions of people here and around the world;

**AND WHEREAS** in recent months there has been a steady increase in harassment of farmers and livestock transporters by activists opposed to animal agriculture and the consumption of animals;

**AND WHEREAS** maintaining proper biosecurity is essential to ensure the health and well-being of the animals cared for on these agricultural operations;

**AND WHEREAS** the recent attacks on farmers homes and businesses have resulted in no criminal charges laid, leaving farmers feeling unprotected by the Ontario legal system and afraid for the welfare of themselves, their families, their employees and the animals they care for;

Canada's voice of local government

## Mayors make a splash in nation's capital

FCM's **Big City Mayors Caucus** met in Ottawa last Thursday to promote municipal priorities for the upcoming federal budget. Throughout the day, they hosted the Prime Minister, Deputy Prime Minister, and ministers responsible for finance, infrastructure and housing. When it comes to achieving federal objectives, from economic growth to climate action, the mayors were clear: *municipalities deliver, in ways that improve people's lives.*

Then on Friday, several mayors crossed the river to Gatineau, Quebec, for the third national gathering of FCM's **The Urban Project**. This time, they sat down with thought-leaders from industry, academia, civil society, and the public sector to explore solutions to a pressing quality-of-life and environmental challenge: urban mobility.

From short-term priorities to long-term vision, BCMC mayors are driving national conversations toward empowering cities and communities of all sizes.

Please be advised the Council of the Municipality of Chatham-Kent at its regular meeting held on February 10, 2020 passed the following resolution:

Whereas Bill 156: Security from Trespass and Protecting Food Safety Act is new legislation that is an important way to keep farms and food supply safe for all Ontarians,

And Whereas Bill 156 provides a balanced approach to protecting farms while recognizing a citizen's right to protest;

And Whereas Bill 156 will ensure farm businesses have a legal standing to protect their farm, family and employees, livestock, crops and ultimately the entire food system;

Therefore be it resolved that the Municipality of Chatham-Kent support the new proposed legislation, Bill 156: Security from Trespass and Protecting Food Safety Act by circulating a letter of support to Ontario municipalities and the Minister of Agriculture, Food & Rural Affairs, the Honourable Ernie Hardeman.

**Re: Resolution to Support Role of Conservation Authorities**

Please be advised the Council of the Municipality of Chatham-Kent at its regular meeting held on February 10, 2020 passed the following resolution:

Whereas the Lower Thames Valley Conservation Authority and the St. Clair Region Conservation Authority and other Conservation Authorities have been protecting people and conserving and restoring watersheds with local communities for over 50 years, and

Whereas municipalities must work together to ensure resilient and healthy watersheds for residents, and

Whereas Conservation Authorities will be important partners in concrete and cost-effective initiatives to address the climate change,

Therefore be it Resolved: That the Municipality of Chatham-Kent supports the important role Conservation Authorities provide to local communities in delivering watershed management programs.

And that the Municipality of Chatham-Kent circulate that support to municipalities, conservation authorities and the Minister of Environment, Conservation and Parks in Ontario.

**Council's support for lobbying the Federal Government to review the regulations related to consumer packaging on single-use wipes**

**WHEREAS** many municipalities in Ontario have endorsed a similar resolution urging the Federal Government to review the regulations related to consumer packaging on single-use wipes to remove the word flushable;

**AND WHEREAS** single-use wipes are a \$6-billion industry and growing, and are now being advertised as the clean alternative to toilet paper and are safe to flush;

**AND WHEREAS** there is no one standard for what the word "flushable" means;

**AND WHEREAS** single-use wipes may in fact not be safe to flush as they are buoyant; are not biodegradable; and, are unable to break down into small pieces quickly;

**AND WHEREAS** single-use wipes may accumulate in the sewer system and eventually clog the sanitary sewer system costing municipalities hundreds of millions of dollars in additional repairs and maintenance costs each year to municipal sewer systems across the country;

**AND WHEREAS** there is a lack of public awareness of the impact caused by non-flushable wipes being flushed down toilets and consumer education and outreach could play a large part in reducing the impact;

**CORPORATION OF THE TOWNSHIP OF SOUTH GLENGARRY**

**MOVED BY** Sam McDonell

**RESOLUTION NO** 29-2020

**SECONDED BY** Martin Lang

**DATE** February 3, 2020

WHEREAS the Township of South Glengarry has a strong agricultural tradition and continues to play an important role in Ontario's agri-food sector.

AND WHEREAS the Township of South Glengarry recognizes the importance of the safety of those working in the agri-food sector and the need to protect the safety of our food chain.

AND WHEREAS in December 2019, the Ontario government introduced legislation in Bill 156 – Security from Trespass and Protecting Food Safety Act, 2019 which will ensure farm businesses have a legal standing to protect their farm, family and employees, livestock, crops and ultimately the entire food supply.

AND WHEREAS the Council of the Township of South Glengarry appreciates the effort being made by the Ontario government to protect those working in the agri-food sector.

NOW THEREFORE BE IT RESOLVED THAT the Council of the Township of South Glengarry strongly supports Bill 156 and urges all members of the Legislative Assembly of Ontario to pass this legislation to protect all Ontario farm families and food processors.

AND FURTHER that this motion be forwarded to the Honourable Doug Ford, premier of Ontario, the Honourable Ernie Hardman, Minister of Agriculture, Food and Rural Affairs and all Ontario municipalities for their consideration.

Please be advised that during the regular meeting of the Committee of the Whole on January 9, 2020 the following motion was carried;

**RESOLUTION NO. CW-013 -2020**

**DATE: January 9, 2020**

**MOVED BY: Councillor Roberts**

**SECONDED BY: Councillor St-Jean**

**Council's support for Quinte Conservation Authority**

**WHEREAS** the Municipality of Prince Edward County is a member of the Quinte Conservation Authority (QCA) and is represented on their Board of Directors; and

**WHEREAS** the QCA is a community-based environmental protection agency that serves 18 municipalities in the watersheds of the Moira, Napanee and Salmon Rivers and Prince Edward County with programs and services focused on a sustainable ecosystem where people and nature live in harmony, and

**WHEREAS** the QCA provides the Municipality of Prince Edward County and its residents with valuable contributions to recreation, education, water quality, reduction of vegetation loss and soil erosion, preservation of species at risk, as well as protecting life and property through a variety of measures, and

**WHEREAS** the QCA has a flood management program employing a watershed-based approach that forecasts flooding, issues flood warnings, monitors stream flow, regulates development activities in flood-plains, educates the public about flooding and protects natural cover that helps reduce the impacts of flooding; and

**WHEREAS** the Municipality of Prince Edward County has experienced disastrous and unprecedented flooding in both 2017 and 2019, with indications that these inundations may constitute the new normal; and

**From the Office of the Clerk**

The Corporation of the County of Prince Edward

T: 613.476.2148 x 1021 | F: 613.476.5727  
clerks@pecounty.on.ca | www.thecounty.ca

**WHEREAS** the Ontario provincial government has announced a 50% cut to their \$7.4 million Natural Hazards Transfer Payment Grant (Section 39) to Ontario conservation authorities (including QCA) that includes flood and erosion control infrastructure, flood forecasting and warning, watershed planning projects and technical studies, etc., an impact that will be immediately and particularly felt in smaller and more rural areas such as the Municipality of Prince Edward County;

**NOW THEREFORE BE IT RESOLVED**

1. **THAT** the Municipality of Prince Edward County supports the continuation of the programs and services of the Quinte Conservation Authority; and
2. **THAT** this resolution be forwarded to the Minister of the Environment, Conservation and Parks, Premier Doug Ford, the Association of Municipalities of Ontario (AMO), Todd Smith MPP, the QCA and all Ontario municipalities.
