## AMO Policy Update – Ontario Proposes New Blue Box Regulations, Modified Stage 2 Restrictions Expanded to York Region, and Halloween Guidance

### Draft Blue Box Regulation Released

Today the Ontario government [announced](#) the proposed producer responsibility regulation of the Blue Box program. The [proposed regulation](#) under the *Resource Recovery and Circular Economy Act, 2016* would make producers responsible for the Blue Box Program, including meeting regulated outcomes for providing collection services, managing Blue Box materials, and meeting diversion targets to address plastic waste, and recover resources for use in the economy.

If passed, the regulation would expand the list of materials accepted in the Blue Box including paper and plastic cups, wraps, foils, trays and bags and other single use items, and expand Blue Box services to more communities, including smaller, rural and remote areas.

This is welcome news for municipal governments and has been the result of over a decade of advocacy in support of full producer responsibility. Producers are in the best position to finance and operate this program as they make the decisions on the type of material and design of their packages and products. If passed, the costs of the program would transition away from municipal taxpayers to producers and result in an estimated savings of \$135 million annually for municipalities.

The draft regulation will be posted for a 45-day consultation period on the Environmental Registry, with comments due on December 3, 2020. AMO is hosting a

webinar on November 4, 2020 for municipal waste management staff to discuss the regulation in detail. To register, click [here](#).

## York Region Entering Modified Stage 2

As of 12:01 a.m. this morning, York Region joined Ottawa, Peel, and Toronto public health regions in a [modified Stage 2](#) for a period of 28 days as a result of including higher than average rates of COVID-19 transmission. Modified Stage 2 measures include:

- limiting team sports to training sessions (no games or scrimmages);
- reducing limits for all social gatherings and organized public events to a maximum of 10 people indoors and 25 people outdoors while maintaining physical distancing ;
- prohibiting indoor dining in restaurants and bars, and personal care; and
- closing businesses where it is difficult to adhere to public health measures, including indoor gyms and fitness centres, cinemas and casinos, among others.

Schools, child care centres, and places of worship will remain open and must continue to follow the public health measures in effect. A complete list of modified stage 2 measures can be found [here](#).

## Halloween Guidance: Trick-or-Treating

Ontario's Chief Medical Officer of Health, Dr. David Williams, issued a [statement](#) today detailing public health advice to limit COVID-19 transmission this Halloween. Given the high transmission of COVID-19 in the modified Stage 2 public health unit regions of Ottawa, Peel, Toronto and York Region, traditional door-to-door trick-or-treating is **not recommended**. Individuals should consider alternative ways to celebrate.

For other areas of the province, the statement [suggests measures](#) to make Halloween safer while enjoying the holiday. Dr. Williams advises residents to check with their local municipality or public health unit for additional advice or restrictions, and urges Ontarians not travel outside of their neighbourhoods to celebrate Halloween.

## Durham Regional Police Services Board

# Highlights

*...from the October 21, 2020 meeting*

### 2021 Police Budget

The board has received the 2021 police budget guideline from the Region, calling for a 3 per cent increase. The Board will consider the impacts of meeting the guideline and also consider funding for Body-Worn Cameras as budget deliberations continue.

The regional guideline would require the DRPS police budget to come in at \$221.16 million for 2021. The estimated full cost of implementing a Body-Worn Camera program annually could be as high as \$3.81 million.

### Responding to Mental Health Calls

Responding to mental health calls with specialized units and additional training for officers is paying dividends for the police service. From September 1, 2019 to August 31, 2020, there were 3,805 General Occurrence reports submitted with a mental health component. These calls resulted in 1,913 apprehensions under the Mental Health Act involving 1,402 individuals – 230 people were apprehended more than once during that 12-month period.

The DRPS Mental Health Support Unit (MHSU) combines a specially-trained officer with a nurse from Lakeridge Health Oshawa. This team has saved lives and offers immediate assistance to people in crisis. The MHSU also conducts follow-up calls and in-person visits to make sure the people they are helping have the services and supports they require. Next week, Regional Council is expected to add three more mental health workers to the MHSU to support and enhance the important outreach work being done.

About 11 per cent of all Mental Health Act calls involved suicides or suicide attempts. The total number of mental health calls averaged 127 per month.

**Virtual Meeting:** The Police Services Board continues to meet using Microsoft Teams as the pandemic continues. The meetings can still be live streamed and are also archived online, so the public has access.

### Administrator's Summer Report

The Administrator appointed by the province to oversee certain HR functions at the DRPS submitted a summary of his activities over the summer.

From May 11, 2020 to September 23, 2020, the Administrator began overseeing the Staff Sergeant promotional process and approved the Board's recommendation for Interim Chief of Police.

He also reviewed and completed eight discipline files and concluded the review of an outstanding discipline matter dating back to 2018. Of the completed discipline files, he approved the disposition recommended by the Chief in seven cases and recommended additional training on the eighth file.

### Next Meeting

The next meeting of the Board will be Tuesday, Nov. 17, 2020 at 8:30 a.m., Regional HQ, 605 Rossland Rd., Whitby, Ontario. ■

Dear Warden Cornell and County Councillors:

**Re: Request for Support from Mount St. Louis Moonstone/Skyline Horseshoe Resort and Hardwood Ski & Bike for their efforts to Declare Snowsports, Skiing and Snowboarding, Alpine and Nordic Deemed Essential in Stage 2.**

The Council of the Township of Oro-Medonte, at its October 14th Council meeting, passed the following motion with respect to the above-noted matter:

Be it resolved:

that the correspondence dated October 9, 2020 from Sarah Huter, Assistant General Manager, Mount St. Louise Moonstone Ski Resort re: Request for Support from Mount St. Louis Moonstone/Skyline Horseshoe Resort and Hardwood Ski & Bike for their efforts to Declare Snowsports, Skiing and Snowboarding, Alpine and Nordic Deemed Essential in Stage 2 be received.

And whereas on March 11, 2020 the World Health Organization declared COVID-19 a global pandemic;

And whereas the Government of Ontario, County of Simcoe and Township of Oro-Medonte remain in declared state of emergency in response to the COVID-19 pandemic;

And whereas all levels of Government are effectively working collaboratively in response to the evolving COVID-19 situation;

And whereas the Government of Ontario has developed a comprehensive *Framework for Reopening our Province*;

And whereas many low risk outdoor activities were permitted to re-open in Stage 1 and 2 of the *Provincial re-opening framework*;

And whereas the timing of the release of *Stage 3 framework* and Ontario Regulation 364/20 made under *Reopening Ontario(A Flexible Response to COVID-19) Act, 2020* has not fully considered outdoor winter recreation and the operations of Ontario's ski industry;

And whereas Ontario's ski industry generates approximately \$420 million annually to the provincial economy and supports over 14,000 jobs;

And whereas nordic skiing, alpine skiing, snowboarding and snowshoeing provide low risk opportunities and outlets for participation in outdoor based activities that improve physical and mental health and overall well-being;

And whereas the ski industry has developed comprehensive operating plans and established best practices through its *Ski Well, Be Well* program to ensure compliance with regulations and public health directives and reduce the risk of COVID 19 transmission;

And whereas the Township of Oro-Medonte is the proud home to three of Ontario's largest ski resorts, Hardwood Ski and Bike, Horseshoe Resort and Mount St Louis Moonstone which provide significant local, regional and provincial economic benefits.

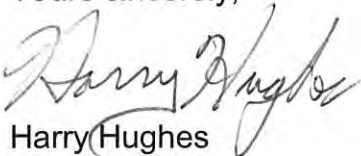

*And whereas MPP Downey has advocated on behalf of these businesses.*

Now therefore

On behalf of Hardwood Ski and Bike, Horseshoe Resort and Mount St. Louis Moonstone, the Council of the Township of Oro-Medonte hereby respectfully requests that the Government of Ontario consult with the ski industry through the Ontario Snow Resorts Association to review re-opening policy considerations currently impacting the industry.

And Further that a copy of this resolution be sent, under the Mayor's signature, to the County of Simcoe and Ontario municipalities for their consideration.

Yours sincerely,

Harry Hughes  
Mayor
