Township of Brock Adopt-A-Road Program

Terms and Conditions

Purpose

The Township of Brock, following the lead of other roadway authorities, has established its own Adopt-A-Road program where groups contract with the municipality to clean up certain Township road rights-of-way. Under this program, groups or individuals agree to adopt a section of Township road and to keep it clean by performing a clean-up at least twice per year. In return, the municipality will erect a sign to acknowledge their efforts.

Participation In The Program

Roadway safety is of paramount importance to the Township of Brock and is something which is taken very seriously.

Only groups and individuals determined by the Township to be responsible and to exhibit, in good faith, the desire and ability to achieve the Adopt-A-Road program objectives and to abide by these Terms And Conditions will be allowed to participate. The Township reserves the right to refuse or terminate any group or individual if their actions are contrary to the purpose of the program.

Volunteers in the program are not considered as Officers, Employees, or Agents of the Township of Brock and shall not be entitled to any remuneration or benefits. Any injuries, claims, liabilities, suits, or costs arising from volunteer activities relating to this agreement shall be the sole responsibility of the volunteers. Volunteers shall indemnify the Township and agree to abide by the Township's guidelines and to not hold the Township responsible for any injuries or damages that they may cause or suffer as a result of participation in this program.

Volunteers wishing to participate in the Adopt-A-Road program must undertake the following tasks:

- Designate a person as their Authorized Group Representative (AGR);
- The AGR must complete and sign the attached agreement;
- All volunteers must be identified and sign the attached sign-up sheet acknowledging that they have taken the relevant safety training, read the document Safety Guidelines For Volunteers, and absolving the Township of all responsibility in the event of injury; and
- The responsibilities of each party are set out on the following pages.

Modification/Renewal, Termination of Agreement or Program

The Adopt-A-Road agreement or program may be modified in scope or altered in any manner at the discretion of the Township.
