Filming Guidelines

The film company must comply with the following guidelines/requirements while filming within the Township of Brock:

Notice:

1. Film companies must provide 5 days written notice to the Brock Board of Trade and/or any relevant business organizations in the community (as appropriate) of the intention to film within the respective community. The notice should contain the following information:
 - the anticipated set-up date, filming dates, and tear-down date (including time of day);
 - the nature of the film production (story line, etc.);
 - the exact location of the filming to be undertaken;
 - the number and type of vehicles to be used in the film, as well as those required for the production (sound. Lighting, etc.) together with the intended location (parking);
 - the type and extent of any building façade changes for the film;
 - whether pyrotechnic and/or other special effects are to be used (including gunfire, etc.);
 - the location of any traffic stoppages/road closures and duration;
 - the name of your company, address, telephone number, the lead contact person and their contact numbers (including cellular).
2. Film companies must provide at least 3 days written notice to all residents and/or business owners which may be directly or indirectly affected as a result of the film production. Notice should contain the same information as per the above.
3. Film companies who wish to change the façade of any building and/or use private property as part of filming must arrange for permission directly from the property owner. The municipality will not authorize the use of private property nor attempt to negotiate the use of same on your behalf.
4. Film companies must be prepared to discuss compensation and/or other matters with any business owner and/or resident which may be adversely impacted as a result of the production. Requests for compensation could be received for the use of private property and/or loss of income for a business, as a result of the film production. The municipality acknowledges that such arrangements are strictly between the film production company and the business/resident and will not intervene and/or negotiate on anyone's behalf.

Traffic & Parking

5. No production vehicles shall block driveways, business entrances, or fire hydrants. The film company must make arrangements for parking of such vehicles so as not to interfere with on-street parking (particularly in the central business district of the urban areas). Depending on the location, the municipality may restrict the number of production vehicles.
6. Temporary road closures and/or intermittent traffic stoppages must be approved by the Township of Brock and/or the Region of Durham prior to filming. Paid police duty officers must be retained in the event of intermittent traffic stoppages. The film company shall be responsible for all required signage to guide motorists and/or pedestrians around the site.
7. No permanent or temporary fixtures or road signs shall be covered, removed or altered without the written approval of the Township of Brock.
8. Access for emergency vehicles (police, fire, ambulance) shall be maintained AT ALL TIMES.
9. Permits for the use of Regional Roads must be obtained from the Regional Municipality of Durham Works Department.

Polytechnics/Special Effects

10. The film production company must notify the Township of Brock Fire Department as to the specific nature of pyrotechnics to be employed and the date of their use. All pyrotechnic use must be approved by the Township of Brock. Film company personnel are responsible to ensure that qualified personnel are present during such activities. The Township reserves the right to deploy fire department personnel at the film companies' expense should it be warranted.

General

11. The film company shall be responsible to clean the film location at the end of each filming day (including the removal of litter), with a minimum amount of noise and disruption to surrounding residents and business owners. In addition, the film company shall be responsible to restore the film location to the same condition as prior to commencement.
12. The film company must respect the privacy of our residents/business owners and their right to have quiet enjoyment of their property and should not be subjected to any interference of the filming (lighting, exhaust fumes, etc.)
13. The film company shall be responsible for employing security throughout the film production dates on a 24-hour basis.
