INFORMATION:

Approval of this application for Site Alteration shall be based on conformance to the Township of Brock By-Law 2633-2015-PP.

This application shall be considered approved and shall act as the Site Alteration Permit only when signed by an authorized member of the Building Department indicating approval of the alteration of grade as per the information supplied in this application, with amendments as necessary. Any proposed modifications to an existing approved Site Alteration application must be reviewed and approved by the Chief Building Official prior to implementation.

Any physical modifications made to the infill elements deemed to be significantly different from the approved application or which contravene By-Law 2633-2015-PP shall invalidate this permit.

Invalidation of the permit will require the applicant to re-apply for a new permit, and/or will require removal of all fill elements from the public right-of-way. The Chief Building Official has the right to remove fill elements from the public right-of-way which differ from the approved application and/or pose a safety hazard to the patrons and/or the general public.

This application and permit shall only be valid within the permit period as noted.
