

The Corporation of the Township of Brock

By-law # 3426-2026

Being a by-law to prohibit and regulate Site Alteration and the Movement of Fill in the Township of Brock

Whereas Section 142 of the Municipal Act, 2001, S.O. 2001, c.25, as amended (hereafter referred to as the Municipal Act) authorizes the Council of the Township of Brock to pass By-laws for prohibiting or regulating Site Alteration to the grade (topography) of property through the movement, removal or placement of topsoil, soil or fill within the Township; and,

Whereas Sections 8, 9 and 11 of the Municipal Act permits a municipality to pass By-laws necessary or desirable for municipal purposes, and paragraphs 5, 6 and 8 of Subsection 11 (2) authorize By-laws respecting the economic, social and environmental well-being of the municipality, the health, safety and well-being of persons, and the protection of persons and property; and,

Whereas Section 23.2 of the of the Municipal Act authorizes a municipality to delegate its powers to an officer, employee, or agent of a municipality; and

Whereas Subsection 444(1) of the Municipal Act permits a municipality, if satisfied that a contravention of a By-law of the municipality passed under the Municipal Act, has occurred, to make an Order requiring the Person who contravened the by-law or who caused or permitted the contravention, or the owner or occupier of the land on which the contravention occurred, to discontinue the contravening activity; and,

Whereas Subsection 445(1) of the Municipal Act permits a municipality, if satisfied that a contravention of a By-law of the municipality passed under the Municipal Act, has occurred, to make an Order requiring the Person who contravened the by-law or who caused or permitted the contravention, or the owner or occupier of the land on which the contravention occurred, to do work to correct the contravention; and,

Whereas Subsection 446 of the Municipal Act gives a municipality the authority to direct or require a Person to do a matter or thing, the municipality may also provide that, in default of it being done by the Person directed or required to do it, the matter or thing shall be done at the Person's expense. For these purposes the municipality may enter upon land at any reasonable time. The municipality may recover the costs of doing a matter or, thing from the Person directed or required to do it by action or by adding the costs to the tax roll and collecting them in the same manner as property taxes; and,

Whereas Section 425 of the Municipal Act permits a municipality to pass by-laws providing that any Person who contravenes any By-law the municipality passed under the Municipal Act is guilty of an offence, and

Whereas Section 426 (4) of the of the Municipal Act deems that any Person that hinders or obstructs, or attempts to hinder or obstruct, any Person who is exercising or performing a duty under this By-law created under the Act is guilty of an offence,

And Whereas Council deems it in the public interest to regulate the dumping and placing of fill and other Site Alterations to ensure that:

- (a) Existing drainage patterns are maintained and erosion and sedimentation are prevented,
- (b) Changes to drainage or grade are appropriate to protect natural heritage features and areas,
- (c) Interference and damage to watercourses or water bodies are prevented,
- (d) Ground water and surface water quality is maintained,
- (e) There is no discharge of contaminants into the natural environment that causes or may cause an adverse effect and that degradation of the pre-existing soil and ground water quality conditions at the site and on adjacent properties is prevented,
- (f) Haul routes for the transportation of fill and topsoil authorized for placement, dumping or removal will be designated to and/or from a site to minimize damage to the Township's roads and minimize interference and/or disturbance to the Township's residents and businesses,
- (g) Disturbance to landform characteristics is kept to a minimum, and
- (h) The proponent of the site alteration project pays for its costs;

Now Therefore the Council of the Township of Brock hereby enacts as follows:

That this By-law be comprised of 14 Parts containing various sections,

- Part 1 Interpretation and Administration
- Part 2 Definitions
- Part 3 Prohibitions and Offences
- Part 4 Exemptions, Exceptions and Waivers
- Part 5 Requirements for Issuance of a Permit
- Part 6 Permit Administration
- Part 7 Replacement of Topsoil for Agricultural Purposes
- Part 8 Enforcement
- Part 9 Orders
- Part 10 Work done by Township
- Part 11 Penalties
- Part 12 Appeals
- Part 13 Liability and Indemnification
- Part 14 Transition

1. Interpretation and Administration:

- 1) This By-law may be cited as the “Fill By-law” or “Site Alteration By-law”.
- 2) This By-law applies to all lands within the geographical area of the Corporation of the Township of Brock.
- 3) The Director is authorized and has the delegated authority to:
 - (a) approve, exempt/waive, issue, revoke, extend, renew, amend, close a Permit and/or grant approvals of Site Alteration, and impose Conditions for continuing to hold a Permit, in addition to the requirements under this By-law,
 - (b) determine when a Meeting of Council is required or not required,
 - (c) determine and deem an Application as complete, abandoned, expired, or closed,
 - (d) approve and coordinate any remediation works,
 - (e) approve amendments to Site Alteration and Fill Management Plans,
 - (f) establish appropriate requirements,
 - (g) ensure compliance with this By-law, including requiring appropriate testing and documentation,
 - (h) appoint a peer review consultant or other engineering, scientific or technical experts to fulfill the role or duties of an Officer for purposes of this By-law,
 - (i) require or exempt certain works from provisions of this By-law, as permitted in this By-law,
 - (j) authorize any Person to carry out any of the powers or duties of the Director and/or an Officer pursuant to this By-law,
 - (k) hire or authorize such agents, contractors, and other Persons to perform work as required, and
 - (l) determine if an Application of over 1,000 m³ requires the approval of Council.
- 4) This By-law shall be administered by the Building Department, Director or an Officer for the Township.
- 5) This By-law shall be enforced by the Director, or an Officer for the Township as defined within this By-law.
- 6) Where there is a conflict between a provision of this By-law and a provision of any other Township By-law, the provision that establishes the highest standards to protect the health and safety of the public and natural environment shall apply. No agreement shall be deemed to provide an exemption from the requirements of this By-law unless this By-law authorizes such exemption and the agreement specifically provides for it.

- 7) This By-law and the provisions contained within are intended to be complementary to Federal and Provincial statutes and Regulations and to other by-laws passed by Council. If any other applicable law requires a higher standard than this By-law requires, the higher standard shall apply.
- 8) By-laws, statutes, regulations and any Guidelines referenced in this By-law include and amendments, replacements, or updates to those by-laws, regulations and Guidelines.
- 9) If a court of competent jurisdiction declares any section or any part of this By-law to be invalid or to be of no force or effect, it is the intention of the Township that every other provision of this By-law be applied and enforced in accordance with its terms to the extent possible according to law.

- (p) **“Dump, Dumped or Dumping”** means the depositing of Fill in a location other than where the Fill was obtained and includes the movement or depositing of Fill from one location to another on the same Property.
- (q) **“Environmentally Significant Lands”** means any area deemed to have ecological significance how-so-ever described in any applicable Provincial Plan, Official Plan or Zoning By-laws, but not limited to, terms such as Environmental Protection Areas and Environmentally Significant Areas and shall include but not be limited to:
 - i. Provincially significant lands, including wetlands or life science areas of natural and scientific interest (ANSI) as identified by the Ontario Ministry of Natural Resources, as amended, at the discretion of a Qualified Person,
 - ii. Environmentally sensitive areas on maps, as amended, prepared by any Conservation Authority having jurisdiction over the lands within the Township of Brock,
 - iii. Environmentally sensitive areas on maps, prepared by the Regional Municipality of Durham for lands within the Township of Brock as amended,
 - iv. Key Natural Heritage Features and Key Hydrologic Features identified under the Greenbelt Plan established under the Greenbelt Act, 2005,
 - v. Lands zoned Environmental Protection (EP) Zone as described within the Township of Brock's comprehensive Zoning By-law as amended,
 - vi. Lands within any permanent or intermittent Watercourse and or related feature,
- (r) **“Fill”** means any type of material that can be removed from (cut) or placed on (in-fill) land including but not limited to, the following:
 - i. **“Aggregate”** means a collective term for the mineral materials such as sand, gravel and crushed stone that can be used with a binding medium to form compounds such as concrete. Aggregates can either be natural or manufactured,

- ii. **“Artificial Turf”** means any surface synthetic fibers made to resemble turf or other grass-like surface and used as a surface cover,
 - iii. **“Asphalt”** means a mixture of dark bituminous pitch with sand or gravel, used for surfacing roads, driveways and paths, which may include, without limitation, loose or recycled material or a contiguous surface or grindings,
 - iv. **“Clean Concrete and Brick”** means concrete, brick, patio pavers, block and other silica-based construction materials that are free of Contaminants;”
 - v. **“Compost”** means a mixture of various decaying organic substances, such as dead leaves or manure, used for fertilizing soil,
 - vi. **“Excess Soil”** means Soil, crushed rock, or Soil mixed with Rock or crushed rock, that has been excavated as part of a project and removed from the project area,
 - vii. **“Liquid Soil”** means Soil that has a slump of more than 150 millimetres using the Test Method for the Determination of “Liquid Waste” (slump test) set out in Schedule 9 to R.R.O.1990, Regulation 34T (Environmental Act),
 - viii. **“Rock”** means a naturally occurring aggregation of one or more naturally occurring minerals that is 2 millimetres or larger in size or that does not pass the US No. 10 sieve,
 - ix. **“Sod”** means the upper stratum of Soil bound by grass and plant roots into a thick mat (turf),
 - x. **“Soil”** means unconsolidated naturally occurring mineral particles and other naturally occurring materials resulting from the natural breakdown of Rock or organic matter by physical, chemical or biological processes that are smaller than 2 millimetres in size or that pass the US No. 10 sieve,
 - xi. **“Topsoil”** means those horizons in a Soil profile, commonly known as the “O” and the “A” horizons, containing organic material and includes deposits of partially decomposed organic matter such as peat.
- (s) **“Grade”** means at any point on the land the elevation of the ground surface of the land; and
- i. **“Approved Grade”** means the final elevation of the ground surface following Site Alteration or Movement of Fill as approved by the Director in accordance with this By-law,

- ii. **"Existing Grade"** means the elevation of the existing ground surface prior to any Site Alteration and/or Movement of Fill, including the natural Grade prior to human activities or the Grade previously legally established such as a former Approved Grade; and
 - iii. **"Unapproved Grade"** means the elevation of the ground surface that is not an Existing Grade or Approved Grade.
- (t) **"Guidelines"** means the information, documentation and material, as determined by the Director, to be used for the purpose to review any Application for a Site Alteration and Fill Permit for the Township of Brock.
- (u) **"Haul Route"** means a route defined by the Director and permitted by the Township or an agreement under this By-law that describes the routes that must be followed when transporting materials to or from the Site.
- (v) **"Highway"** means a common and public highway and includes a street, road, bridge or other structure forming part of a highway over or across which a highway passes and includes the whole of a road allowance under the jurisdiction of the Township, Regional Municipality or Durham or the Ministry of Transportation.
- (w) **"Hydro-Excavation Truck"** means any truck that excavates, evacuates, removes or moves fill with water and or air. The material hauled in a Hydro-Excavation Truck may be referenced as, among other names; slurry, liquid fill, wet fill or Fill.
- (x) **"Invasive Species"** means Invasive Species as defined in the *Invasive Species Act, 2015*, S.O.2015, c.22 as may be amended.
- (y) **"Inspector"** means the Director, Chief Building Official and other individuals appointed by Council for the Township of Brock as Building Inspectors, By-Law Enforcement Officers, Property Standards Officers and or Provincial Offences Officers.
- (z) **"Key Hydrologic Feature"** includes permanent and intermittent streams, lakes (and their littoral zones), seepage areas and springs and Wetlands.
- (aa) **"Key Natural Heritage Feature"** includes habitat of endangered species and threatened species, fish habitat, wetlands, life science areas of natural and scientific interest (ANSIs), significant valley lands, significant woodlands, significant wildlife habitat (including habitat of special concern species), sand barrens, savannahs and tallgrass prairies and alvars.
- (bb) **"Large Site Alteration"** means any Site Alteration that is not a Minor Site Alteration or a Small Site Alteration.

- (cc) **“Low Impact Development”** means systems that preserve or restore the existing Drainage and water balance conditions by infiltration and groundwater recharge, evapotranspiration, and reducing runoff volume and flow rates.
- (dd) **“Meeting of Council”** means an open meeting of Council to which all members of the Public are invited, for the purpose of informing the public of a proposed Site Alteration.
- (ee) **“Minor Site Alteration”** means a one-time maximum cumulative volume of Site Alteration per Property based on the area of Property suitable for Site Alteration (the Property area excluding buildings, structures and fixed features) calculated as follows: Area of Property suitable for Site Alteration in hectares x 200 m³ of Site Alteration, up to a maximum area of Property suitable for Site Alteration of 1.0 hectares. The maximum volume is a one-time maximum cumulative allowance. Any Site Alteration that exceeds the maximum one-time cumulative volume is prohibited without a Permit. Once this cumulative volume has been reached regardless of the timeframe over which it occurred, no further Site Alteration is allowed without a Permit.

Example. Lot size of 0.07 HA (approx. 70x100 foot lot) x 200 m³ = 14m³ of Fill permitted without a Permit.

The maximum volume calculation excludes any Site Alteration conducted under the approval of any other legal instrument of the Township such as, but not limited to, a building permit or swimming pool enclosure permit.

- (ff) **“Movement of Fill”** means any non-natural transfer of Fill from one location to another of any distance except Fill that is transported through the Township and is always contained within the transport vessel.
- (gg) **“Normal Farm Practice”** has the same meaning as in the Farming and Food Production Protection Act, 1998, S.O. 1998, c.1, as amended (or any successor legislation), which defines it as a practice that,
 - i. is conducted in a manner consistent with proper and acceptable customs and standards as established and followed by similar Agricultural operations under similar circumstances, or
 - ii. makes use of innovative technology in a manner consistent with proper advanced farm management practices.
- (hh) **“Officer”** means a By-law Enforcement Officer, Building Official or other individual authorized by the Township to enforce the Township by-laws and may include their designate, a peer review consultant or other technical specialist, if designated by the Director under this By-law.
- (ii) **“Ontario Regulation 153/04”** means Ontario Regulation 153/04 (Records of Site Condition — Part XV.1 of the Environmental Protection

Act), as amended

- (jj) **“Ontario Regulation 406/19”** means Ontario Regulation 406/19 On Site and Excess Soil Management) under the Environmental Protection Act, as amended
- (kk) **“Order”** means an Order issued under this By-law.
- (ll) **“Owner”** means the registered owner of the lands on which the Site Alteration is proposed and any Person, firm or corporation managing or controlling such lands.
- (mm) **“Permit”** means a formal authorization issued by the Township under this By- law.
- (nn) **“Person”** includes individuals, sole proprietorships, partnerships, corporations, trustees, agents, or legal representatives.
- (oo) **“Ponding”** means the accumulation of surface water in an area not having Drainage therefrom where the lack of Drainage is caused by the placing or Dumping of Fill or other Site Alteration.
- (pp) **“Property”** means any parcel of land, lot, block, or other legally described tract of land, including any buildings, structures, watercourses, wetlands, or topography located within its boundaries, which is the subject of a site alteration, grading, or fill operation.
- (qq) **“Qualified Person”** means a Licensed Professional Engineer (P.Eng.) or a Licensed Professional Geoscientist (P.Geo.) in good standing with their respective professional association in the Province of Ontario, who meets the qualifications as set out in Section 5 or 6 of Ontario Regulation 153/04 (Records of Site Condition) made under the Environmental Protection Act, R.S.O. 1990, c. as amended
- (rr) **“Qualified Professional”** means an individual certified to perform the works by their accredited governing association, including but not limited to, Professional Engineers Ontario, Ontario Association of Certified Technicians and Technologists, Ontario Association of Landscape Architects, and the Association of Ontario Land Surveyors.
- (ss) **“Reclaimed Fill”** means any form of Fill that once contained Contaminants or was unacceptable for a Property and has since been decontaminated by appropriate means.
- (tt) **“Retaining wall”** means a structurally engineered structure designed to contain, resist lateral pressure, and support soil, rock, or fill where there is a change in ground elevation; and includes any such structure that is designated as a building under the Ontario Building Code Act, 1992, or its regulations, specifically including any wall exceeding 1,000 millimetres (1.0 metre) in exposed height adjacent to public property, access to a building, or private property to which the public is admitted.

- (uu) **"Site"** means a Property altered or proposed to be altered by means of a Site Alteration.
 - (vv) **"Site Alteration"** means, but is not limited to, any alteration to the Existing Grade of a Property through the removal, placing, relocation or Movement of Fill.
 - (ww) **"Site Alteration and Fill Management Plan"** means a document prepared by, or on behalf of an Owner detailing such things as current Site conditions, methodology, Existing Grade, Approved Grade and impact mitigation measures.
 - (xx) **"Small Site Alteration"** means any Site Alteration that does not meet the definition of a Minor Site Alteration and is not more than 1,000 m³ of total Site Alteration in any 12-month period.
 - (yy) **"Soil Bank Storage Site"** means a facility designed to temporarily store excess excavated soil from construction or infrastructure projects until it can be transported to a beneficial reuse site
 - (zz) **"Temporary Fill Storage Site"** means any Property where Fill is stored above the Existing Grade on a temporary basis as part of the activities of a licensed business.
 - (aaa) **"Temporary Storage of Fill"** means the storage of Fill at a Temporary Fill Storage Site above Existing Grade for a period of time determined by the activities of the licensed business with the expectation that the business involves the regular Movement of Fill on to and off the Site in a manner that results in no Fill being stored longer than 18 months.
 - (bbb) **"Township"** means the Corporation of the Township of Brock.
 - (ccc) **"Waiver"** means a document obtained from the Township providing the details for an exemption to this By-law.
 - (ddd) **"Watercourse"** means a natural or man-made channel or swale in which a flow of water occurs, either continuously or intermittently with some degree of regularity.
 - (eee) **"Zoning By-law"** means Township's comprehensive Zoning By-law, as applicable and amended from time to time.
- 2) Terms not defined in the By-law shall have the same meaning ascribed to them in common or ordinary use.

3. Prohibitions and Offences:

- 1) Compliance with this By-law does not relieve the Owner from any responsibility to obtain all other approvals as required from any other government, authority, agency or compliance with any other obligations.

- 2) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration on any Property within the Township without first obtaining a Permit, unless otherwise exempt as set forth in this By-law and a Waiver at the discretion of the Director has been obtained.
- 3) No Person shall have, or allow to remain, Fill on that Person's Property that is not approved through a Permit where required, whether or not the Fill was placed there while the Person was the Owner of the Property.
- 4) No Person shall operate a Commercial Fill Operation on any lands within the Township unless otherwise exempt under other parts of this By-law at the discretion of the Director.
- 5) No Person shall perform a Site Alteration on any land unless it is done at the request of, or with the written consent of, the Owner of the land on which the Site Alteration is to occur.
- 6) No Person shall import Fill onto any Property within the Township with the use of a Hydro-Excavation Truck.
- 7) No Person shall fail to comply with an Order issued pursuant to this By-law.
- 8) No Person shall hinder, obstruct or attempt to hinder or obstruct any Officer or the Director in the discharge of their duties under this By-law.
- 9) No Person shall cause, permit or perform a Site Alteration in any of the areas described below in subsections (a) to (d), or a Large Site Alteration in any of the areas described below in subsections (a) to (f), unless such Site Alteration or Large Site Alteration is directly associated with a building permit issued by the Township or is authorized by another development agreement with the Township:
 - (a) Environmentally Significant Lands,
 - (b) Hydrogeologically sensitive areas,
 - (c) Minimum vegetation protection zones associated with areas described above,
 - (d) Areas of "high aquifer vulnerability" as designated in an Official Plan,
 - (e) Wellhead protection areas, significant groundwater recharge areas or significant high aquifer vulnerability areas as designated in a drinking water source protection plan under the Clean Water Act.
- 10) No Person shall cause, permit or perform a Site Alteration on lands that are subject to an approved Site Plan Draft Plan of Subdivision or a Consent under Sections 41, 51 or 53, respectively, of the Planning Act, as amended, without an agreement or approval from the Township.
- 11) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that results in mud tracking onto any road or Highway within the Township.

- 12) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that causes dust impacts to any lands within the Township.
- 13) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration without sediment and erosion controls in place.
- 14) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that could injure or destroy a tree except in accordance with The Regional Municipality of Durham and/or other Township of Brock By-laws or Guidelines.
- 15) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that may adversely impact the quality or quantity of any surface water or groundwater however it may exist, including all water used for or available as a source of water for agriculture or human consumption.
- 16) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that could adversely affect any Watercourse or Drainage on any Property without prior written approval from the Director.
- 17) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that will result in an Unapproved Grade.
- 18) No Person shall alter, repair or construct a Retaining Wall greater than an adjacent Grade where a Permit or Waiver has not been issued under this By-law.
- 19) No Person shall alter or cause blockage of any Drainage swale.
- 20) No Person shall alter the location, direction or rate of Drainage to any adjacent Properties.
- 21) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that will, or can be reasonably expected to, result in an Adverse Effect.
- 22) No Person shall alter Grade where an approved grading plan exists for the Property.
- 23) No Person shall use salt impacted Soil within the Township.
- 24) No Person shall use Reclaimed Fill on any Property within the Township.
- 25) No Person shall place or Dump Fill, or cause or permit Fill to be placed or Dumped, on a Property fronting on a Township Road that has been deemed by the Township, in its sole discretion, to be unsuitable for the deposition of Fill.
- 26) No Person shall perform a Site Alteration or permit the performance of a Site Alteration,
 - (a) Between the hours of 8:00 p.m. and 7:00 a.m., Monday to Saturday,
 - (b) Anytime on a Sunday or Statutory Holiday,
 - (c) During any period in which a wind warning for the Township has been issued by Environment Canada,

- (d) During any weather conditions, where the ability to mitigate Site Alteration activity impacts is severely compromised (i.e., heavy rain, etc.)
 - (e) During any situation where Site Alteration activities can unduly impact adjacent landowners (i.e., brush fires, floods, unsuitable road conditions, etc.)
- 27) No Person shall conduct, undertake, cause, permit or carry out Site Alteration unless the Fill:
 - (a) Complies with the requirements of Ontario Regulation 406/19 and Ontario Regulation 153/04,
 - (b) Does not contain putrescible materials, demolition debris such as coated brick and concrete, concrete fines, exposed rebar, paints or coatings, putrescible materials, plastic, Asphalt, glass, petroleum products or hydrocarbon materials,
 - (c) Does not contain Contaminants, and,
 - (d) Is free of termites, pests and Invasive Species including the eggs and seeds of such species.
- 28) No Person shall conduct, undertake, cause, permit or carry out Site Alteration on any Property unless the activity is in accordance with:
 - (a) The Zoning By-law,
 - (b) The Building By-law,
 - (c) The Noise By-law,
 - (d) The Property Standards By-law,
 - (e) The Greenbelt Plan,
 - (f) The requirements of a Conservation Authority; and
 - (g) All other statutes, regulations, policies and By-laws.
- 29) No Person shall conduct, undertake, cause, permit or carry out a Site Alteration that is not in conformance with any term or condition of an Agreement or Permit issued by the Township.
- 30) No Person shall fail to place or allow to remain a Permit placard for an issued Site Alteration Permit in a visible location near the entrance to the Property for the duration of the issued Site Alteration permit.
- 31) Every Person who contravenes any provision of this By-law is guilty of an offence.

4. Exemptions, Exceptions and Waivers:

- 1) Notwithstanding Part 3 of this By-law and notwithstanding the requirements of O, Reg 406/19 as amended, this By-law does not apply to:
 - (a) Activities or matters undertaken by the Township, the Regional Municipality of Durham, a Conservation Authority, the Provincial Government, or the Federal Government,
 - (b) In accordance with Section 142 (5) of the Municipal Act, 2001, S.O.2001,
 - i. Activities or matters undertaken by a municipality or a local board of a municipality,
 - ii. The placing or Dumping of Fill, removal of Topsoil or alteration of the Grade of land imposed after December 31, 2002, as a condition to the approval of a site plan, a plan of subdivision or a consent under section 41, 51 or 53, respectively, of the Planning Act or as a requirement of a site plan agreement or subdivision agreement entered into under those sections,
 - iii. The placing or Dumping of Fill, removal of Topsoil or alteration of the Grade of land imposed after December 31, 2002, as a condition to a development permit authorized by regulation made under section 70.2 of the Planning Act or as a requirement of an agreement entered into under that regulation,
 - iv. The placing or Dumping of Fill, removal of Topsoil or alteration of the Grade of land undertaken by a transmitter or distributor, as those terms are defined in section 2 of the Electricity Act, 1998, for the purpose of constructing and maintaining a transmission system or a distribution system, as those terms are defined in that section,
 - v. The placing or Dumping of Fill, removal of Topsoil or alteration of the Grade of land undertaken on land described in a licence for a pit or quarry or a permit for a wayside pit or wayside quarry issued under the Aggregate Resources Act,
 - vi. The placing or Dumping of Fill, removal of Topsoil or alteration of the Grade of land undertaken on land in order to lawfully establish and operate or enlarge any pit or quarry on land,
 - a. that has not been designated under the Aggregate Resources Act or a predecessor of that Act, and
 - b. on which a pit or quarry is a permitted land use under a by-law passed under section 34 of the Planning Act; or
 - vii. The placing or Dumping of Fill, removal of Topsoil or alteration of the Grade of land undertaken as an incidental part of drain construction under the Drainage Act or the Tile Drainage Act. 2001, c. 25, s. 142 (5); 2002, c. 17, Sched. A, s. 30 (2, 3).

- (c) The removal or replacement of Topsoil as an incidental part of a normal Agricultural practice on Agricultural lands as an incidental part of Sod-farming, tillage of land, greenhouse operations and nurseries for horticultural products,
 - i. The exception with respect to the removal of Topsoil as an incidental part of a normal Agricultural practice does not include the removal of Topsoil for sale, exchange or other disposition.
 - ii. The exception with respect to the replacement of Topsoil for the restoration of Agricultural lands used for normal Agricultural practices, and which is an incidental part of tillage of land, Sod farming, greenhouse operations, and nurseries for horticultural practices shall be subject to the requirements set out in Part 7.
 - (d) The use, operation, establishment, alteration, enlargement or extension of a Waste management system or Waste disposal site within the meaning of Part V of the Environmental Protection Act, R.S.O. 1990, c.E.19, as amended; and
 - (e) The construction, extension, alteration, maintenance or operation of works under Section 26 of the Public Transportation and Highway Improvement Act, R.S.O. 1990, c.P.50, as amended.
 - (f) The harvesting of peat in a commercial operation regulated by the Conservation Authority and the Township.
 - (g) At the discretion of the Director, the placing or Dumping of Fill that is done with the authorization of the Conservation Authority and in accordance with a current Conservation Authority permit.
- 2) Notwithstanding Section 4.1) of this By-law, O. Reg. 406/19 and Section 7.1) of this By-law, a Permit is not required in the following situations:
- (a) When another instrument, such as a Planning approval, a building permit, a septic permit, a pool enclosure permit or legal agreement with the Township includes a clause specifically waiving the requirement for a Permit, including:
 - i. Construction of a Building and minor related works within the Building Area pursuant to a building permit which has been issued by and at the discretion of the Chief Building Official where the volume of fill required does not exceed 500m³; and
 - ii. Filling of an excavation within the Building Area to the elevation of Existing Grade following the demolition or removal of a Building for which a demolition permit has been issued by the Chief Building Official, or for a building which no demolition permit is required under the Building Code Act, R.S.O. 1992, c.23.

- iii. Construction of an inground swimming pool where a pool enclosure permit has been issued by the Township and the excavated Fill is removed from site or where Fill is to remain on site, the requirements of a Minor Site Alteration are not exceeded.
 - iv. Demolition and filling of an inground pool that was previously installed with an approved Pool Enclosure Permit.
- (b) Any Site Alteration for the purpose of lawn dressing, constructing a fence, or other accessory structure, landscaping or adding to flower beds or vegetable gardens, provided that:
 - i. The Site Alteration does not exceed the requirements of a Minor Site Alteration;
 - ii. The Existing Grades have not been increased pursuant to this section in the previous twelve (12) months; and
 - iii. The minimum standards set out in this By-law are complied with.
- (c) Site Alteration that is an incidental part of the construction or reconstruction of any public Highway, or underground service.
- (d) Temporary Fill Storage Sites (such as but not limited to, a garden center, contractors' yard, Aggregate distribution yard, Fill storage yard or similar facility and may include a Soil Bank Storage Site but not a soil processing site) where:
 - i. There is no permanent alteration to Existing Grade,
 - ii. The activities comply with Ontario Regulation 406/19 On-Site and Excess Soil Management,
 - iii. There is no Adverse Effect,
 - iv. Site Alteration in the form of Temporary Storage of Fill occurs above Existing Grade,
 - v. Any Fill does not include Liquid Soil,
 - vi. The activity that involves the Temporary Storage of Fill may require other approvals from the Township,
 - vii. The Property is zoned for the activity that involves the Temporary Storage of Fill,
 - viii. The period of storage is determined by the activities of the licensed business with the expectation that the business involves the regular Movement of Fill on to and off the Site in a manner that results in no year over year net increase in Fill volume storage above Existing Grade; and,
 - ix. The Owner can provide records to the satisfaction of the Township that the above noted conditions are being met.

- (e) When a Permit has been waived and a Permit Waiver is provided for in writing by the Director.
 - (f) A Minor Site Alteration that has been recorded with the Township.
- 3) Where the requirements for a Permit are waived in accordance with the provisions of this part, all other Parts of the By-law except Part 5 remain applicable at the discretion of the Director.

5. Requirements for Issuance of a Permit:

- 1) An Owner applying for a Permit under this By-law shall have a pre-consultation meeting with the Director and any other persons that the Director deems necessary to review the proposal to determine if a Permit can be issued under the requirements of this By-law and to determine the requirements for a complete Application, including determination of all applicable fees.
- 2) Fees referenced under this By-law are payable in accordance with the Township's fees and charges by-law, including but not limited to, fees related to administration and enforcement activities.

 - (a) Immediately if personally served.
 - (b) On the 5th day after mailing of the Order if sent by registered mail.
 - (c) Immediately if served by email, save and except where it is was emailed on a holiday, in which case service will be deemed effective on the next (non-holiday) day after the holiday.

10. Work Done by the Township

- 1) If the Conditions of a Permit and/or an Order made under this By-law are not complied within the period specified in the Order, in addition to all other remedies it may have, the Township may undertake any activity to fulfill any Conditions of the Permit and/or Order at the Owners expense and may enter upon Property at any reasonable time for this purpose.
- 2) The Township may recover its costs of remedying a contravention, administrative and enforcement functions with respect to this By-law by invoicing the Owner, by instituting court proceedings or by adding the cost and applicable administrative fees, including interest, to the Owner's tax roll in the same manner as municipal taxes and the exercise of any one remedy shall not preclude the exercise of any other available remedy.

11. Penalty and Offence

- 1) Every Person who contravenes a provision of this By-law, a Condition of a Permit, an Agreement, and/or an Order issued under this By-law, is guilty of an offence and upon conviction is liable to a fine as provided for by the Provincial Offences Act, R.S.O. 1990, c. P.33, as amended or any successor legislation ("Provincial Offences Act").
- 2) Every Person who is guilty of an offence under this By-law may, if permitted under the Provincial Offences Act, R.S.O. c 1990, c. P33 as amended, pay a set fine, and the Chief Judge of the Ontario Court of Justice shall be requested to establish set fines as set out in Schedule 'A',
 - (a) Schedule 'A' shall not come into force and effect until approved and filed by the Regional Senior Justice, pursuant to Provincial Offences Act Part 1. A copy of this approval shall be attached and form part of this By-law.
- 3) If an Order has been issued under this By-law, and the Order has not been complied with, the contravention of the Order shall be deemed to be a "continuing offence" for each day or part of a day that the Order is not complied with.
- 4) For the purposes of this By-law, "multiple offence(s)" means an offence in respect of two or more acts or omissions each of which separately constates an offence and is a contravention of the same provision of this By-law.
- 5) Every Person who is guilty of an Offence under this By-law may be subject to a fine under the Municipal Act such that;
 - (a) A minimum fine shall not exceed \$500 and a maximum fine shall not exceed \$100,000,
 - (b) In the case of a continuing offence, for each day or part of a day that the offence continues, a minimum fine shall not exceed \$500 and a maximum fine shall not exceed \$10,000. However, the total of all the daily fines for the offence is not limited to \$100,000, and

- (c) In the case of a multiple offence, for each offence included in the multiple offence, a minimum fine shall not exceed \$500 and a maximum fine shall not exceed \$10,000. However, the total of all the fines for each included offence is not limited to \$100,000.
- 6) A special fine may be imposed in addition to a fine imposed under this By-law in circumstances where there is economic advantage or gain from the contravention of this By-law and the maximum amount of the special fine may exceed \$100,000.
- 7) A special fine shall be calculated based on,
 - (a) \$10.00 per each cubic metre of Fill,
 - i. Deposited in excess of the amount allowed in a Permit and/or Agreement, or,
 - ii. Deposited beyond the geographical limits of the Permit and/or Agreement, or
 - iii. Deposited without first having obtained a Permit and/or Agreement.
 - (b) Where the Fill is found to contain Contaminant levels that exceed Table 2 Standards from the Soil, Ground Water and Sediment Standards for Use under Part XV.1 of the Environmental Protection Act, greater fines of not less than \$100.00 per cubic metre may be imposed.

12. Appeals

- 1) A decision of the Director with relation to this By-law shall be considered as final and binding subject to an appeal to Council.
- 2) An Applicant for a Permit under this By-law may appeal to Council regarding,
 - (a) The completeness of an Application submitted for a Permit,
 - (b) Failure by the Director to make a decision on an Application for a Permit within 60 days of the Township receiving a complete Permit Application, which appeal must be made in writing within 30 days of the initial decision period,
 - (c) Refusal by the Director to issue a Permit, which appeal must be made within 30 days after the refusal of the Permit,
 - (d) Any Conditions included by the Director in a Permit, which appeal must be made within 30 days after the Permit was issued.
- 3) On an appeal under this section, Council shall have all the powers of the Director pursuant to this By-law.
- 4) Administrative fees for an appeal to Council as determined by the Township's fees and charges by-law shall be paid in advance of an appeal to Council being heard.

- 5) A decision of Council shall be considered as binding and final.

13. Liability and Indemnification

- 1) The provisions of this By-law do not limit the responsibility or liability of any Person who has lawfully or unlawfully undertaken any Site Alteration from any personal injury, including injury resulting in death or property damage resulting from such Site Alteration or from acts or omissions of such Person, or his or her agents, employees, or contractors.
- 2) Likewise, provisions of this By-law shall not be construed as acceptance by the Township, its Officers, employees, or agents of any responsibility or liability whatsoever by reason of allowing such Site Alteration, approving the request for permitting such Site Alteration, or activities related to the Site Alteration.
- 3) The Township is not responsible for any damages, losses or injuries caused as a result of any Site Alteration.
- 4) The Owner and any Person shall be jointly and severally responsible to indemnify the Township, its Officers, employees and agents from all losses, damages, costs, expenses, claims, demands, actions, lawsuit, or other proceedings of every nature and kind arising from, and in consequence of activities related to Site Alteration.

14. Transition Provision

- 1) By-Law Number 2633-2015-PP, as amended, is hereby repealed in its entirety. This By-law shall supersede any corresponding By-laws of the Township of Brock which, through inadvertence, may not have been repealed;
- 2) Notwithstanding the repeal of Site Alteration By-law 2633-2015-PP as amended, those By-laws shall continue to apply to any acts, omissions or occurrences, and to any offences that took place prior to the enactment of this By-law.
- 3) This By-law shall come into full effect and force on the date of its passing.

Enacted and Passed this 29th day of June, 2026.
